**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—SSR MIRACLE MILE, LLC, WILSHIRE LOFTS PROJECT, 5550 WILSHIRE BOULEVARD, LOS ANGELES, CALIFORNIA (CAG994004, CI—9189)**

Dear Mr. Helgeson:

In our letter dated October 27, 2006, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *General NPDES and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

We have received and reviewed your June 3, 2009 letter, requesting termination of your coverage under the General Permit because you have completed the subject project on March 12, 2009.

On June 26, 2009, Board staff inspected the project site and verified that there is no discharge of groundwater to the storm drain. Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2003-0111 for the subject project is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface water becomes necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements prior to discharging any groundwater from the site to surface waters.

If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

  
Tracy J. Egoscue  
Executive Officer
