May 7, 2007

Mr. Timothy Hawkins
BP Pipelines NA
1300 Pier B Street
Long Beach, CA 90813

Dear Mr. Hawkins:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – BP PIPELINES NA, TERMINAL 2 LINE 79, 1300 PIER B STREET, LONG BEACH (CAG994004, CI-9202)

In our letter dated November 13, 2006, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *General NPDES and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

On March 27, 2007, you informed Regional Board staff that your discharge has been diverted to the sanitary sewer. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the above-referenced General NPDES permit. On May 3, 2007, our staff inspected the facility and verified that there is no discharge to the storm drain.

Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2003-0111 for the subject facility is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Deborah U. Smith
Interim Executive Officer
