Arnold Schwarzenegger
Governor

April 2, 2009

Mr. John Long
Ojai Valley Imports
996 East Ojai Avenue
Ojai, CA 92023

Dear Mr. Long:

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS
- OJAI VALLEY IMPORTS, 996 EAST OJAI AVENUE, OJAI, CALIFORNIA (ORDER NO. R4-
2007-0019, SERIES NO. 006, CI-9237)**

In our letter dated April 9, 2007, we informed you that the subject discharge is regulated under Order No. R4-2007-0019, Series No. 006, which also serves as your Waste Discharge Requirements (WDR).

By email dated February 5, 2009, you notified the Regional Board that a pilot test of ozone injection for remediation of total petroleum hydrocarbons performed for the site is complete and that you request termination of the WDR.

The monitoring results were provided to the Regional Board in the quarterly monitoring reports. Since the pilot testing has been completed and the WDR is no longer needed, the coverage under Board Order No. R4-2007-0019, Series No. 006 for the subject facility is hereby terminated. Please note that you are required to apply for a WDR for full scale remediation.

If you have any questions, please contact Chief of Groundwater Permitting Unit, Dr. Rebecca Chou, at (213) 620-6156.

Sincerely,

Tracy J. Egoscue
Executive Officer
