Los Angeles Regional Water Quality Control Board

June 8, 2015

Mr. Bruce Amig
Goodrich Pump & Engine Control
4 Coliseum Centre
2730 West Tyvola Road
Charlotte, North Carolina 28217

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS
– FORMER MENASCO AEROSPACE FACILITY, 100 EAST CEDAR AVENUE, BURBANK,
CALIFORNIA (FILE NO. 109.0842, ORDER NO. R4-2007-0019, SERIES NO. 024, CI-9293,
GLOBAL ID. WDR100001639)**

Dear Mr. Amig,

On July 31, 2007, this Regional Water Quality Control Board (Regional Board) informed you that the subject discharge is regulated under Regional Board Order No. R4-2007-0019, which specifies your Waste Discharge Requirements (WDR).

In the letter dated April 16, 2015, you requested termination of the WDR coverage under Regional Board Order No. R4-2007-0019 because groundwater bioremediation activity has to be temporarily suspended due to redevelopment activity at the site. Therefore, the coverage for the subject facility, under Board Order No. R4-2007-0019, is hereby terminated with the exception of enforcement under the terms of the permit. However, a new WDR permit will be required when the remediation activity is resumed in the future.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 (ann.chang@waterboards.ca.gov), or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683 (eric.wu@waterboards.ca.gov).

Sincerely,

A handwritten signature in blue ink that reads "Samuel Unger".

Samuel Unger, P.E.
Executive Officer
