
Los Angeles Regional Water Quality Control Board

August 9, 2013

Mr. George Tash
Somis Supply
5777 Balcom Canyon Road
Somis, California 93066

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS
– SOMIS SUPPLY, 5394 LOS ANGELES AVENUE, SOMIS, CALIFORNIA (ORDER NO. R4-
2007-0019, SERIES NO. 035, CI-9319, GLOBAL ID. WDR100000788)**

Dear Mr. Tash,

On October 10, 2007, this Regional Water Quality Control Board (Regional Board) informed you that the subject discharge is regulated under Regional Board Order No. R4-2007-0019, which specifies your Waste Discharge Requirements (WDR).

In a letter dated August 6, 2013, you notified the Regional Board that you ceased injection of treated groundwater and Fenton's reagent at the subject site and requested termination of the WDR.

Since you have no plan to inject treated groundwater and Fenton's reagent in the future, the coverage for the subject facility under Regional Board Order No. R4-2007-0019 is hereby terminated, with the exception of enforcement under the terms of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 (achang@waterboards.ca.gov), or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683 (ewu@waterboards.ca.gov).

Sincerely,

Samuel Unger, P.E.
Executive Officer
