
Los Angeles Regional Water Quality Control Board

January 28, 2014

Mr. Christer Sorensson
PRC-DeSoto International, Inc.
5127 Varna Avenue
Sherman Oaks, California 91423

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS
– PRC-DESOTO INTERNATIONAL, INC., 5430 SAN FERNANDO ROAD, GLENDALE,
CALIFORNIA (ORDER NO. R4-2007-0019, SERIES NO. 060, CI-9415, GLOBAL ID.
WDR100000435)**

Dear Mr. Sorensson,

On February 5, 2009, this Regional Water Quality Control Board (Regional Board) informed you that the subject discharge is regulated under Regional Board Order No. R4-2007-0019, which specifies your Waste Discharge Requirements (WDR).

In a letter dated October 4, 2013, you notified the Regional Board that you ceased injection of calcium polysulfide at the subject site and requested termination of the WDR.

Since PRC-DeSoto International, Inc. has no plan to inject calcium polysulfide in the future, the coverage for the subject facility under Regional Board Order No. R4-2007-0019 is hereby terminated, with the exception of enforcement under the terms of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 (achang@waterboards.ca.gov), or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683 (ewu@waterboards.ca.gov).

Sincerely,

Samuel Unger, P.E.
Executive Officer
