Arnold Schwarzenegger  
Governor

July 27, 2010

Mr. Richard Steinhaus  
Acting Superintendent of Fleet Operations  
City of Long Beach Fire Department  
2600 Temple Avenue  
Long Beach, CA 90802

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE  
REQUIREMENTS – CITY OF LONG BEACH FIRE DEPARTMENT STATION 17, 2241  
ARGONNE AVENUE, LONG BEACH, CALIFORNIA (ORDER NO. R4-2007-0019, SERIES NO.  
0121, CI-9587)**

Dear Mr. Steinhaus:

In our letter dated March 25, 2010, we informed you that the subject discharge is regulated under Order No. R4-2007-0019, (Series No. 121), which specifies your Waste Discharge Requirements (WDR).

In a letter dated June 28, 2010, you notified the Regional Board that you ceased persulfate injection for this site and that you requested termination of the WDR.

Because the ongoing remediation does not plan to continue to inject persulfate, you no longer need the WDR. The coverage under Board Order No. R4-2007-0019, (Series No. 121), for the subject facility is hereby terminated with the exception of enforcement under the term of the permit.

If you have any questions, please contact the Chief of UST Unit, Gregg Kwey, at (213) 576-6702 or the Acting Section Chief of Groundwater Permitting and Landfills, Dr. Rebecca Chou, at (213) 620-6156.

Sincerely,

  
Samuel Unger, P.E.  
Interim Executive Officer

cc: Mr. Assaf A. Rees, AECOM

**California Environmental Protection Agency**

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
