Los Angeles, CA 90026

TERMINATION OF GENERAL WASTE DISCHARGE REQUIREMENTS AT O.J. PLUMBING COMPANY, 1661 ALLESANDRO STREET, LOS ANGELES, CALIFORNIA (ORDER NO. R4-2007-0019, SERIES NO. 128, CI-9608)

Dear Ms. Ferguson:

In our letter dated May 28, 2010, we informed you that the subject discharge is regulated under Order No.R4-2007-0019 which specifies your Waste Discharge Requirements (WDR).

In a letter dated April 1, 2011, you notified the Regional Board that you ceased oxygen release compound (ORC) injection for this site and that you requested termination of the WDR.

Since you have no plan to inject ORC into the groundwater in the future, the coverage for the subject facility, under Board Order No.R4-2007-0019, is hereby terminated with the exception of enforcement under the terms of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683.

Sincerely,

Samuel Unger, P.E.
Executive Officer
