Mr. Eric Keller, Project Manager
Ventura County Waterworks District
6767 Spring Road, P.O. Box 250
Moorpark, CA 93020-0250

Dear Mr. Keller:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS— VENTURA COUNTY WATER DISTRICT NO. I, WELL NO. 20 AND TREATMENT FACILITY, INTERSECTION OF CHAMPIONSHIP DRIVE AND GRIMES CANYON ROAD, MOORPARK, VENTURA (NPDES NO. CAG994003, CI-9644)

The subject discharge is regulated under Order No. R4-2009-0047, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of nonprocess wastewater to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on April 2, 2009.

We have reviewed your October 10, 2013, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that improvement at the well was completed and the permit is no longer needed. On January 21, 2014, Board staff inspected the project site and verified that there is no discharge of groundwater from the project site to the storm drain. Since there is no discharge of wastewater from the site coverage under Board Order R4-2009-0047, General NPDES Permit No. CAG994003, CI-9644 for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

Samuel Unger, P.E.
Executive Officer
