

**Los Angeles Regional Water Quality Control Board**

August 2, 2012

Mr. Peter Hayden  
Vice President - Engineering  
8500 Burton Way LLC  
101 The Grove Drive  
Los Angeles, CA 90036

Dear Mr. Hayden:

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—8500 BURTON WAY LLC, 8500 BURTON WAY, LOS ANGELES, CALIFORNIA (NPDES NO. CAG994004, CI-9683)**

The subject discharge is regulated under Order No. R4-2008-0032, *General National Pollutant Discharge Elimination System Permit and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 5, 2008.

We have reviewed your February 7, 2012, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that you have completed the groundwater dewatering project and this permit is no longer needed. On August 1, 2012, Board staff inspected the project site and verified that there is no discharge of groundwater from the project site to the storm drain. Since there is no discharge of groundwater from the site, coverage under Board Order R4-2008-0032, General NPDES Permit No. CAG994004, CI-9683 for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

  
Samuel Unger  
Executive Officer
