MATTHEW RODRIGUEZ
SECRETARY FOR
ENVIRONMENTAL PROTECTION

Los Angeles Regional Water Quality Control Board

November 7, 2014

Mr. Garry Hofer
California American Water Company
4701 Beloit Drive
Sacramento, CA 95835

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—CALIFORNIA AMERICAN WATER COMPANY, SAN MARINO/DUARTE SERVICE AREA PROJECTS, VARIOUS LOCATIONS IN LOS ANGELES RIVER WATERSHED, LOS ANGELES COUNTY, CALIFORNIA (NPDES NO. CAG674001, CI-9729)

Dear Mr. Hofer:

The subject discharge is regulated under Order No. R4-2009-0068, *Waste Discharge Requirements and General National Pollutant Discharge Elimination System Permit for Discharges of Low Threat Hydrostatic Test Water to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 4, 2009.

We have reviewed a letter from Mr. Matt Lasecki of your office dated September 17, 2014, requesting termination of your coverage under the General Permit. The letter indicated that you have stopped discharging from the above-referenced facility to surface water under the subject NPDES permit.

On November 5, 2014, Board staff inspected the project site and verified that there is no discharge of groundwater from the facility to surface water. Since there is no discharge of groundwater from the facility, coverage under Board Order R4-2009-0062, General NPDES Permit No. CAG674001 for the facility is hereby terminated, except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Samuel Unger, P.E.
Executive Officer
