**Los Angeles Regional Water Quality Control Board**

December 19, 2016

Mr. Scott Armstrong  
Wash Depot IV, Inc.  
467 North Moorpark Avenue  
Thousand Oaks, California CA 91360

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS  
–JANSS CAR WASH, 467 NORTH MOORPARK ROAD, THOUSAND OAKS, CALIFORNIA  
(ORDER NO. R4-2007-0019, SERIES NO. 165, CI-9737, GLOBAL ID NO. WDR100001736)**

Dear Mr. Armstrong,

On September 21, 2011, this Regional Water Quality Control Board (Regional Board) informed you that the subject discharge is regulated under Regional Board Order No. R4-2007-0019, which specifies your Waste Discharge Requirements (WDR).

In the letter dated December 9, 2016, you requested termination of the WDR coverage under Regional Board Order No. R4-2007-0019 because there has been no re-injection of treated groundwater from the groundwater pump and treat remediation system since August 2015. In addition, the Regional Board Underground Storage Tank Program issued a Pre-Closure Notification letter for the subject site on July 18, 2016. The coverage under Regional Board Order No. R4-2007-0019 for the subject site is no longer needed and hereby terminated with the exception of enforcement under the term of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 ([ann.chang@waterboards.ca.gov](mailto:ann.chang@waterboards.ca.gov)), or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683 ([eric.wu@waterboards.ca.gov](mailto:eric.wu@waterboards.ca.gov)).

Sincerely,

  
Samuel Unger, P.E.  
Executive Officer
