**Los Angeles Regional Water Quality Control Board**

August 23, 2017

Mr. Robert L. Brager, PE, JD  
Public Works Director  
City of Malibu  
Department of Public Works  
23825 Stuart Ranch Road  
Malibu, CA 90265

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENTS—CITY OF MALIBU GROUNDWATER WELLS PROJECT, 3939 CROSS CREEK ROAD, MALIBU, CALIFORNIA (NPDES NO. CAG994005, CI—9779)**

Dear Mr. Brager:

The subject discharges are regulated under Order R4-2003-0108, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Potable Water Supply Wells to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003.

We have reviewed your August 15, 2017, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that you have completed the groundwater well sampling project and that the General NPDES permit is no longer needed. Since there is no discharge of groundwater from the wells, coverage under Board Order R4-2003-0108, General NPDES Permit No. CAG994005, CI-9779 for the wells is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

Samuel Unger, P.E.  
Executive Officer

Mr. Robert L. Brager, PE, JD  
Public Works Director  
City of Malibu
