

## Los Angeles Regional Water Quality Control Board

April 1, 2014

Mr. Stephen McFarland  
Oxnard Union High School District  
309 South K Street  
Oxnard, CA 93030

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—OXNARD UNION HIGH SCHOOL DISTRICT, HUENEME HIGH SCHOOL, 500 W. BARD RD., OXNARD, CALIFORNIA (NPDES NO. CAG994004, CI-9954)**

Dear Mr. McFarland:

In our letter dated June 13, 2013, we informed you that the subject discharge is regulated under Order No. R4-2008-0032, *General NPDES and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

On February 21, 2014, Oxnard Union High School District (District) informed the Regional Board that the District has concluded all discharges related to the subject project. Since the NPDES permit is no longer necessary, the District requested termination of coverage under the above-referenced General NPDES permit.

On March 26, 2014, Regional Board staff inspected the subject project and verified that there is no discharge of groundwater from the site to surface water. Therefore, coverage under Board Order No. R4-2008-0032 for the subject project is hereby terminated, except for enforcement purposes.

Please note that if future discharges of groundwater to surface water or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate Waste Discharge Requirements.

If you have any questions, please contact Alex Carlos at 213-576-6726.

Sincerely,

  
Samuel Unger, P.E.  
Executive Officer

Mr. Stephen McFarland  
Oxnard Union High School District  
CI- 9954
