5790 Fleet St., # 140
Carlsbad, CA 92008

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENTS- WEHO DOMAIN, LLC, WEHO DOMAIN APARTMENTS, 7141 SANTA MONICA BLVD., WEST HOLLYWOOD, CALIFORNIA (NPDES NO. CAG994004, CI-9989)

Dear Mr. Phillips:

In our letter dated October 9, 2013 we informed you that the subject discharge is regulated under Order No. R4-2013-0095, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 6, 2013.

On May 11, 2015, you informed the Regional Board that groundwater dewatering activities at the subject site have been completed. Since the NPDES permit is no longer necessary, you requested termination of coverage under the above-referenced General NPDES permit.

On January 15, 2016, Regional Board staff inspected the subject project and verified that there is no discharge of groundwater from the site to surface water. Therefore, coverage under Board Order No. R4-2013-0095 for the subject project is hereby terminated, except for enforcement purposes.

Please note that if future discharges of groundwater to surface water or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate Waste Discharge Requirements.

If you have any questions, please contact Alex Carlos at 213-576-6726.

Sincerely,

Samuel Unger, P.E.
Executive Officer
