TRANSMITTAL OF ORDER RESCINDING WASTE DISCHARGE REQUIREMENTS, PACIFIC GAS AND ELECTRIC, NATURAL GAS PIPELINE REPLACEMENT PROJECT R-300B, LINE 407, PLACER AND SUTTER COUNTIES

On 30 June 2017, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability granting coverage under the State Water Resources Control Board's *Statewide General Waste Discharge Requirements for Discharges to Land with a Low Threat to Water Quality* (Order 2003-003-DWQ) to Pacific Gas and Electric Company for discharges to land from Pipeline Replacement Project R-300B, Line 407.

Your Notice of Termination, dated 8 August 2018, states that no further discharges from the project will occur and you wish to terminate coverage under the General Waste Discharge Requirements. Based on that information, coverage under Order 2003-003-DWQ-0163 is hereby rescinded.

If you have any questions about the rescission, please contact Scott Armstrong at (916) 464-4616 sarmstrong@waterboards.ca.gov.
