Notice of Termination for General Order No. R5-2003-0044-013, Former Putah Creek Resort, 7600 Knoxville Road, Napa, Napa County, Cleanup and Abatement Order No. R5-2009-0704

On 5 February 2004, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability under Order No. R5-2003-0044, *General Order for Land Disposal of Groundwater or Surface Water from Cleanup of Petroleum Pollution*. In the Notice of Applicability, the project was assigned site-specific Order No. R5-2003-0044-013.

Groundwater extraction and treatment, and discharge to land stopped in March 2009 due to low groundwater elevations and bankruptcy of the previous tenant, Lake Berryessa Enterprises, Inc. II. The groundwater extraction system was subsequently removed from the Site.

Air sparge and soil vapor extraction have been selected as the final remedial actions, and restart of the groundwater extraction system is not anticipated. Therefore, through this letter, General Order No. R5-2003-0044-013 is hereby terminated as of the date of this letter. Invoicing for General Order coverage will be terminated accordingly.
