### **OFFER TO PARTICIPATE IN THE EXPEDITED PAYMENT LETTER PROGRAM RELATING TO ADMINISTRATIVE CIVIL LIABILITY R5-2021-0526 FOR ASSESSMENT OF MANDATORY MINIMUM PENALTIES, SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT, SACRAMENTO REGIONAL WASTEWATER TREATMENT PLANT, SACRAMENTO COUNTY**

The Sacramento Regional County Sanitation District (Discharger) discharges treated wastewater from the Sacramento Regional Wastewater Treatment Facility (Facility), which was regulated by Waste Discharge Requirements (WDRs) Order R5-2016-0020-01 (NPDES CA0077682) through 31 May 2021, when it was rescinded and replaced by WDRs Order R5-2021-0019. This Offer to Participate in the Central Valley Regional Water Quality Control Board's (Central Valley Water Board's) Expedited Payment Letter (EPL) Program (Conditional Offer) provides the Discharger with an opportunity to resolve mandatory minimum penalties for alleged NPDES permit violations without a formal administrative civil liability complaint. The alleged mandatory minimum penalty, in the amount of three thousand dollars (\$3,000), represents the sum of accrued mandatory minimum penalties for the effluent limitation violation specifically identified in the Record of Violations (Attachment A), attached hereto and incorporated herein by reference, that occurred between 1 July 2020 and 31 May 2021.

### **NOTICE OF VIOLATION AND RECORD OF VIOLATIONS**

Based on the Discharger's self-monitoring reports, the Central Valley Water Board Prosecution Team sent the Discharger a Notice of Violation and Record of Violations (ROV) on 17 September 2021, notifying the Discharger of effluent limit violations, reporting violations, and corresponding violations of the California Water Code. The Central Valley Water Board Prosecution Team provided the Discharger with an opportunity to review and contest the violations listed in the ROV. Following the

Discharger's review of the ROV, the Central Valley Water Board Prosecution Team confirmed that the violation listed in Attachment A is subject to mandatory minimum penalties.

### **STATUTORY LIABILITY**

Water Code sections 13385(h) and (i) require the assessment of a mandatory minimum penalty of \$3,000 for each specified serious and chronic effluent limit violation. Pursuant to Water Code section 13385.1(a), the failure to file a discharge monitoring report required pursuant to section 13383 for each complete period of thirty (30) days following the deadline for submitting the report constitutes a serious violation subject to a mandatory minimum penalty under Water Code section 13385(h). The Discharger may also be subject to discretionary administrative civil liabilities pursuant to Water Code section 13385(c) of up to \$10,000 for each day in which the violation occurs, and \$10 for each gallon discharged but not cleaned up in excess of 1,000 gallons. These mandatory minimum penalties and discretionary administrative civil liabilities may be assessed by the Central Valley Water Board beginning with the date that the violations first occurred. The formal enforcement action that the Central Valley Water Board uses to assess such liability is an administrative civil liability complaint, although the Central Valley Water Board may instead refer such matters to the Attorney General's Office for prosecution. If referred to the Attorney General for prosecution, the Superior Court may assess up to \$25,000 for each day in which the violation occurs, and \$25 for each gallon discharged but not cleaned up in excess of 1,000 gallons.

### **SETTLEMENT OFFER**

The Discharger can avoid the issuance of a formal enforcement action and settle the alleged violations identified in Attachment A by participating in the EPL Program.

To promote resolution of these violations, the Central Valley Water Board Prosecution Team makes this Conditional Offer. The Central Valley Water Board's Prosecution Team proposes to resolve this violation without the issuance of a formal enforcement action through this Conditional Offer assessing **three thousand dollars** (\$3,000) in mandatory minimum penalties. If the Discharger accepts this proposal, subject to the conditions below, the Central Valley Water Board Prosecution Team will accept that payment in settlement of any enforcement action that would otherwise arise out of the violations identified in Attachment A. Accordingly, the Central Valley Water Board Prosecution Team will forego issuance of a formal administrative civil liability complaint, will not refer the violations to the Attorney General, and will waive its right to seek additional discretionary civil liabilities for the violations identified in Attachment A. The Conditional Offer does not address or resolve liability for any violation that is not specifically identified in Attachment A, regardless of the date that the violation occurred.

If the Discharger accepts this Conditional Offer, please complete and return the enclosed "Acceptance of Conditional Resolution and Waiver of Right to Hearing" (proposed) Order" (Acceptance and Waiver) on or before 01 December 2021. The

Acceptance and Waiver constitutes a settlement of the violation specifically identified in Attachment A.

## **CONDITIONS FOR CENTRAL VALLEY WATER BOARD ACCEPTANCE OF RESOLUTION**

Federal regulations require the Central Valley Water Board to publish and allow the public thirty (30) days to comment on any settlement of an enforcement action addressing NPDES permit violations (40 C.F.R. section 123.27(d)(2)(iii)). Notice of this settlement will be published on the Central Valley Water Board's website at:

[Central Valley Tentative Orders](https://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/)

([https://www.waterboards.ca.gov/centralvalley/board\\_decisions/tentative\\_orders/](https://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/))

If no comments are received within the 30-day comment period, and unless there are new material facts that become available to the Central Valley Water Board, the Executive Officer or his designee will execute the Acceptance and Waiver as a stipulated order assessing the uncontested mandatory minimum penalty amount pursuant to Water Code sections 13385.

However, if significant comments are received in opposition to the settlement, this Conditional Offer may be withdrawn. In that case, the Discharger's waiver pursuant to the Acceptance and Waiver will be void and the violation(s) will be addressed in an administrative civil liability hearing. At the hearing, the Discharger will be free to make arguments to any of the alleged violations, and the Discharger's prior agreement to accept this Conditional Offer will be treated as a settlement communication and will not in any way be binding or used as evidence against the Discharger. The Discharger will be provided with further information on the administrative civil liability hearing process.

If the Discharger chooses to sign the Acceptance and Waiver, full payment of the assessed amount may be submitted with the waiver. However, full payment of the assessed amount shall be due no later than thirty (30) calendar days after the date the Acceptance and Waiver is executed by the Executive Officer. In accordance with California Water Code section 13385(n)(1) and California Water Code section 13385.1(c)(1), funds collected for violations of effluent limitations and reporting requirements pursuant to section 13385 and 13385.1 shall be deposited in the State Water Pollution Cleanup and Abatement Account. Accordingly, the \$3,000 liability shall be paid by cashiers or certified check made out to the "State Water Pollution Cleanup and Abatement Account". Failure to pay the full penalty within the required time period may subject the Discharger to further liability.

The Discharger shall indicate on the check the number of this EPL and send it to the State Water Resources Control Board, Accounting Office, Attn: EPL R5-2021-0526 Payment, PO Box 1888, Sacramento, California, 95812-1888. The waiver and a copy of the check must also be mailed to the Central Valley Water Board at 11020 Sun Center Drive #200, Rancho Cordova, CA, 95670 attention to Xuan Luo.

If you have any questions or comments regarding this Settlement Offer, please contact Xuan Luo at (916) 464-4606 or [Xuan.Luo@waterboards.ca.gov](mailto:Xuan.Luo@waterboards.ca.gov).
