***RESCISSION OF MONITORING AND REPORTING PROGRAM NO. R5-2005-0810,
MORRIS FARMS, INC., SUTTER COUNTY***

Monitoring and Reporting Program (MRP) No. R5-2005-0810 requires Morris Farms to submit monthly reports describing the volume of solid food processing waste delivered to, and removed from, the Krehe Road Facility. Based on Central Valley Water Board staff's review of the monitoring reports and a recent inspection of the Krehe Road facility, staff has determined that the MRP is no longer necessary, as facility operations have changed and food processing waste is no longer stockpiled or disposed of on-site.

Based on this information, Monitoring and Reporting Program No. R5-2005-0810 is hereby rescinded.

If you have any questions, please contact Brendan Kenny at (916) 464-4635.
