ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R5-2013-0569

MANDATORY PENALTY

IN THE MATTER OF
CALIFORNIA DEPARTMENT OF CORRECTIONS AND REHABILITATION
SIERRA CONSERVATION CENTER WATER TREATMENT PLANT
TUOLUMNE COUNTY

This Complaint is issued to the California Department of Corrections and Rehabilitation (hereafter Discharger) pursuant to California Water Code (Water Code) section 13385, which authorizes the imposition of Administrative Civil Liability and Water Code section 13323, which authorizes the Executive Officer to issue this Complaint. This Complaint is based on findings that the Discharger violated provisions of Waste Discharge Requirements (WDRs) Order R5-2007-0117 (NPDES No. CA0082546).

The Executive Officer of the Central Valley Regional Water Quality Control Board (Central Valley Water Board or Board) finds the following:

1. The Discharger owns and operates the Sierra Conservation Center Water Treatment Plant (Facility). The Facility treats raw water from Tulloch Reservoir to provide drinking water to serve an inmate population of approximately 4,500 to 6,000 people and personnel. The Facility discharges multimedia filter backwash water into two clay lined settling ponds and irrigates approximately five acres of adjacent land during dry months. During wet months, the Facility discharges to a drainage ditch which leads to Shotgun Creek, a water of the United States.
2. On 14 September 2007, effective 3 November 2007, the Central Valley Water Board adopted WDRs Order R5-2007-0117, which contained new requirements and rescinded WDRs Order R5-2002-0055, except for enforcement purposes. On 14 September 2007, the Board also adopted Time Schedule Order (TSO) R5-2007-0118, extending the compliance date for the total recoverable iron and total recoverable manganese effluent limitation until 31 August 2012.
3. On 4 October 2012, the Central Valley Water Board adopted TSO R5-2012-0095 and rescinded TSO R5-2007-0118. TSO R5-2012-0095 extended the date to comply with the effluent limitations for aluminum, iron, and manganese until 31 August 2013. On 12 April 2013, effective 1 June 2013, the Central Valley Water Board adopted WDRs Order R5-2013-0027, which contained new requirements and rescinded WDRs Order R5-2007-0117, except for enforcement purposes. This Complaint considers the protection from mandatory minimum penalties provided by the TSOs.
4. On 9 March 2012, the Executive Officer of the Central Valley Water Board issued Administrative Civil Liability Complaint (ACLC) R5-2012-0517 for mandatory minimum penalties for effluent violations from 1 March 2001 through 30 November 2011. The

Discharger paid the civil liability and the Board considers those effluent violations specifically listed in Attachment A to ACLC R5-2012-0517 to be resolved.

5. This Complaint addresses administrative civil liability for effluent violations that occurred between 1 December 2011 and 30 April 2013. These violations are specifically identified in Attachment A to this Complaint, which is attached hereto and incorporated herein by reference.
6. On 2 July 2013, Central Valley Water Board staff issued the Discharger a Notice of Violation and draft Record of Violations (ROV) for effluent limitation violations that occurred between 1 December 2011 and 30 April 2013. On 25 July 2013, the Discharger responded and agreed with the violations.
7. Water Code section 13385(h) and (i) require assessment of mandatory penalties and state, in part, the following:

Water Code section 13385(h)(1) states:

Notwithstanding any other provision of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars (\$3,000) shall be assessed for each serious violation.

Water Code section 13385 (h)(2) states:

For the purposes of this section, a "serious violation" means any waste discharge that violates the effluent limitations contained in the applicable waste discharge requirements for a Group II pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 20 percent or more or for a Group I pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 40 percent or more.

Water Code section 13385 subdivision (i)(1) states, in part:

Notwithstanding any other provision of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars (\$3,000) shall be assessed for each violation whenever the person does any of the following four or more times in any period of six consecutive months, except that the requirement to assess the mandatory minimum penalty shall not be applicable to the first three violations:

- A) Violates a waste discharge requirement effluent limitation.
- B) Fails to file a report pursuant to Section 13260.
- C) Files an incomplete report pursuant to Section 13260.
- D) Violates a toxicity effluent limitation contained in the applicable waste discharge requirements where the waste discharge requirements do not contain pollutant-specific effluent limitations for toxic pollutants.

8. Water Code section 13385.1 provides the definition of a serious violation for the failure to file a monitoring report and describes when mandatory minimum penalties will apply.

Water Code section 13385.1(a)(1) states, in part:

For the purposes of subdivision (h) of Section 13385, a “serious violation” also means a failure to file a discharge monitoring report required pursuant to Section 13383 for each complete period of 30 days following the deadline for submitting the report, if the report is designed to ensure compliance with limitations contained in waste discharge requirements that contain effluent limitations...

9. Water Code section 13323 states, in part:

Any executive officer of a regional board may issue a complaint to any person on whom administrative civil liability may be imposed pursuant to this article. The complaint shall allege the act or failure to act that constitutes a violation of law, the provision authorizing civil liability to be imposed pursuant to this article, and the proposed civil liability.

10. Water Code section 13385(j) exempts certain violations from the mandatory minimum penalties, and states, in relevant part:

Subdivisions (h) and (i) do not apply to any of the following:

- 3) A violation of an effluent limitation where the waste discharge is in compliance with either a cease and desist order issued pursuant to Section 13301 or a time schedule order issued pursuant to Section 13300 or 13308 if all of the following requirements are met:
 - C) The regional board establishes a time schedule for bringing the waste discharge into compliance with the effluent limitation that is as short as possible....For the purposes of this subdivision, the time schedule may not exceed five years in length The interim requirements shall include both of the following:
 - i) Effluent limitations for the pollutant or pollutants of concern.
 - ii) Actions and milestones leading to compliance with the effluent limitation.

11. WDRs Order R5-2007-0117 Effluent Limitations IV.A.1. includes, in part, the following effluent limitations:

- a. The Discharger shall maintain compliance with the effluent limitations specified in Table 6:

Table 6. Effluent Limitations

Parameter	Units	Effluent Limitations	
		Average Monthly	Maximum Daily
Total Residual Chlorine	mg/L	0.01	0.02

12. WDRs Order R5-2007-0117, Monitoring Reporting Program (MRP), Attachment E, X.B.2. states, in part:

- 2. Monitoring results shall be submitted to the Regional Water Board by the first day of the second month following sample collection...

13. According to the Discharger's self-monitoring reports, the Discharger committed two (2) serious Group II violations of the above effluent limitations contained in WDRs Order R5-2007-0117, as shown in Attachment A. These violations are defined as serious because measured concentrations of Group II constituents exceeded maximum prescribed levels in WDRs Order R5-2007-0117 by 20 percent or more. The mandatory minimum penalty for this serious violation is **six thousand dollars (\$6,000)**.
14. The November 2012 self-monitoring report was required to be submitted by 1 January 2013. However, the Discharger did not submit the November 2012 monitoring report until 31 January 2013, which is 30 days after the deadline in the Monitoring and Reporting Program. The Discharger committed one (1) serious violation for failure to timely submit the self-monitoring report required by WDRs Order R5-2007-0117. The mandatory minimum penalty for this serious violation is **three thousand dollars (\$3,000)**.
15. The total amount of the mandatory penalties assessed for the alleged effluent violations is **nine thousand dollars (\$9,000)**. These violations are specifically identified in Attachment A to this Complaint as subject to mandatory minimum penalties. Attachment A to this Complaint is attached hereto and incorporated herein by reference.
16. Issuance of this Administrative Civil Liability Complaint to enforce Water Code Division 7, Chapter 5.5 is exempt from the provisions of the California Environmental Quality Act (Pub. Resources Code section 21000 et seq.), in accordance with California Code of Regulations, title 14, section 15321(a)(2).

THE CALIFORNIA DEPARTMENT OF CORRECTIONS AND REHABILITATION IS HEREBY GIVEN NOTICE THAT:

1. The Executive Officer of the Central Valley Water Board proposes that the Discharger be assessed an Administrative Civil Liability in the amount of **nine thousand dollars (\$9,000)**.

 - c) The Central Valley Water Board agrees to postpone any necessary hearing after the Discharger requests a delay by checking off the box next to Option #3 on the attached form, and returns it to the Board along with a letter describing the issues to be discussed.

3. If a hearing on this matter is held, the Central Valley Water Board will consider whether to affirm, reject, or modify the proposed Administrative Civil Liability, or whether to refer the matter to the Attorney General for recovery of judicial civil liability.
4. If this matter proceeds to hearing, the Executive Officer reserves the right to amend the proposed amount of civil liability to conform to the evidence presented, including but not limited to, increasing the proposed amount to account for the costs of enforcement (including staff, legal and expert witness costs) incurred after the date of the issuance of this Complaint through completion of the hearing.

SIERRA CONSERVATION CENTER WATER TREATMENT PLANT
TUOLUMNE COUNTY

SCHEDULED FOR 5/6 DECEMBER 2013

PLEASE READ THIS HEARING PROCEDURE CAREFULLY. FAILURE TO COMPLY WITH THE DEADLINES AND OTHER REQUIREMENTS CONTAINED HEREIN MAY RESULT IN THE EXCLUSION OF YOUR DOCUMENTS AND/OR TESTIMONY.

Overview

Pursuant to Water Code section 13323, the Executive Officer has issued an Administrative Civil Liability (ACL) Complaint to the California Department of Corrections and Rehabilitation, alleging violations of Water Code section 13385 for the discharge of wastewater from the Sierra Conservation Center Water Treatment Plan that exceeded permitted effluent limitations and for failure to submit a discharge monitoring report. The ACL Complaint proposes that the Central Valley Water Board impose administrative civil liability in the amount of nine thousand dollars (\$9,000). A hearing is currently scheduled to be conducted before the Board during its 5/6 December 2013 meeting.

The purpose of the hearing is to consider relevant evidence and testimony regarding the ACL Complaint. At the hearing, the Central Valley Water Board will consider whether to issue an administrative civil liability order assessing the proposed liability, or a higher or lower amount. The Board may also decline to assess any liability, or may continue the hearing to a later date. If less than a quorum of the Board is available, this matter may be conducted before a hearing panel. The public hearing will commence at 8:30 a.m. or as soon thereafter as practical, or as announced in the Board's meeting agenda. The meeting will be held at:

11020 Sun Center Drive, Suite 200, Rancho Cordova, California.

An agenda for the meeting will be issued at least ten days before the meeting and posted on the Board's web page at:

http://www.waterboards.ca.gov/centralvalley/board_info/meetings

Hearing Procedure

The hearing will be conducted in accordance with this Hearing Procedure, which has been approved by the Board Chair for the adjudication of such matters. The procedures governing adjudicatory hearings before the Central Valley Water Board may be found at California Code of Regulations, title 23, section 648 et seq., and are available at:

<http://www.waterboards.ca.gov>

Copies will be provided upon request. In accordance with Section 648(d), any procedure not provided by this Hearing Procedure is deemed waived. Except as provided in Section 648(b) and herein, Chapter 5 of the Administrative Procedures Act (Gov. Code, § 11500 et seq.) does not apply to this hearing.

The Discharger shall attempt to resolve objections to this Hearing Procedure with the Prosecution Team BEFORE submitting objections to the Advisory Team.

Separation of Prosecutorial and Advisory Functions

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the Board (the "Prosecution Team") have been separated from those who will provide legal and technical advice to the Board (the "Advisory Team"). Members of the Advisory Team are: Ken Landau, Assistant Executive Officer, and David Coupe, attorney. Members of the Prosecution Team are: Pamela Creedon, Executive Officer; Andrew Altevogt, Assistant Executive Officer, Wendy Wyels, Environmental Program Manager; Nichole Morgan, Senior Water Resources Control Engineer; Mohammad Farhad, Water Resources Control Engineer, and James Ralph, attorney.

Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Pamela Creedon regularly advises the Central Valley Water Board in other, unrelated matters, but is not advising the Central Valley Water Board in this proceeding. Other members of the Prosecution Team act or have acted as advisors to the Central Valley Water Board in other, unrelated matters, but they are not advising the Central Valley Water Board in this proceeding. Members of the Prosecution Team have not had any ex parte communications with the members of the Central Valley Water Board or the Advisory Team regarding this proceeding.

Requesting Designated Party Status

Persons who wish to participate in the hearing as a Designated Party must request designated party status by submitting a request in writing so that it is received no later than the deadline listed under "Important Deadlines" below. The request shall include an explanation of the basis for status as a Designated Party (i.e., how the issues to be addressed at the hearing affect the person, the need to present evidence or cross-examine witnesses), along with a statement explaining why the parties listed above do not adequately represent the person's interest. Any objections to these requests for designated party status must be submitted so that they are received no later than the deadline listed under "Important Deadlines" below.

Participants who would like additional time must submit their request to the Advisory Team so that it is received no later than the deadline listed under "Important Deadlines" below. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the Board Chair (at the hearing) upon a showing that additional time is necessary. Such showing shall explain what testimony, comments, or legal argument requires extra time, and why it could not have been provided in writing by the applicable deadline.

A timer will be used, but will not run during Board questions or the responses to such questions, or during discussions of procedural issues.

Submission of Evidence and Policy Statements

The Prosecution Team and all other Designated Parties (including the Discharger) must submit the following information in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the Central Valley Water Board to consider. Evidence and exhibits already in the public files of the Central Valley Board may be submitted by reference, as long as the exhibits and their location are clearly identified in accordance with California Code of Regulations, title 23, section 648.3. Board members will not generally receive copies of materials incorporated by reference unless copies are provided, and the referenced materials are generally not posted on the Board's website.

4. The qualifications of each expert witness, if any.

Prosecution Team: The Prosecution Team's information must include the legal and factual basis for its claims against each Discharger; a list of all evidence on which the Prosecution Team relies, which must include, at a minimum, all documents cited in the ACL Complaint, Staff Report, or other material submitted by the Prosecution Team; and the witness information required under items 3-4 for all witnesses, including Board staff.

Designated Parties (including the Discharger): All Designated Parties shall submit comments regarding the ACL Complaint along with any additional supporting evidence not cited by the Central Valley Water Board's Prosecution Team no later than the deadline listed under "Important Deadlines" below.

Rebuttal: Any Designated Party that would like to submit evidence, legal analysis, or policy statements to rebut information previously submitted by other Designated Parties shall submit this rebuttal information so that it is received no later than the deadline listed under "Important Deadlines" below. "Rebuttal" means evidence, analysis or comments offered to disprove or contradict other submissions. Rebuttal shall be limited to the scope of the materials previously submitted. Rebuttal information that is not responsive to information previously submitted may be excluded.

Other Matters: The Prosecution Team will prepare a summary agenda sheet (Summary Sheet) and will respond to all significant comments. The Summary Sheet and the responses shall clearly state that they were prepared by the Prosecution Team. The Summary Sheet and the responses will be posted online, as will revisions to the proposed Order.

Absent a showing of good cause and lack of prejudice to the parties, the Board Chair may exclude evidence and testimony that is not submitted in accordance with this Hearing Procedure. Excluded evidence and testimony will *not* be considered by the Central Valley Water Board and will not be included in the administrative record for this proceeding.

* Dischargers have the right to a hearing before the Board within 90 days of receiving the Complaint, but this right can be waived (to facilitate settlement discussions, for example). By submitting the waiver form, the Discharger is not waiving the right to a hearing; unless a settlement is reached, the Board will hold a hearing prior to imposing civil liability. However, if the Board accepts the waiver, all deadlines marked with an “*” will be revised if a settlement cannot be reached.

[†] This deadline is set based on the date that the Board compiles the Board Members’ agenda packages. Any material received after this deadline will not be included in the Board Members’ agenda packages.
