On 18 January 2018, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability granting coverage under the *Waiver of Report of Waste Discharge and Waste Discharge Requirements for Specific Types of Discharge within the Central Valley Region* (Waiver) (R5-2013-0145-0099) to the City of Modesto for discharges to land from the Replacement Well 271 project.

Your Notice of Termination, dated 28 January 2019, states that no further discharges from the project will occur and you wish to terminate coverage under the Waiver. Based on that information, coverage under R5-2013-0145-0099 is hereby rescinded.
