One additional comment on the tentative WDRs, Jeff:

Page 10, Paragraph 56 should read:

56. The Dischargers Financial Assurances for reclamation in the amount of \$160,298 is a Surety Bond with the payees listed as ~~the State Mining and Geology Board~~, Sierra County, the Department of Conservation, the U.S. Forest Service, and the Central Valley Water Board.

Thanks,

BRANDON PANGMAN
