Phone Log with Michael Miller 16 to 1 Mine

To Soltani, Ayda@Waterboards

On 2 March 2017 Mr. Miller called me back after leaving him a voicemail on 1 March 2017. Mr. Miller discussed his concerns of the ROV and stated that he had received our ROV and was aware that he needed to submit a letter by 28 February 2017 for his concerns and comments regarding the ROV. Mr. Miller requested to have a meeting next week with Rob Campbell present as well to discuss with Kari Holmes and I about their issues at the Facility and why they have not been able to comply with their permit.
