10. **Matters Covered:** This Stipulation and Proposed CDO resolves only the issuance of a Cease and Desist Order pursuant to Water Code section 13301. The Parties agree that all oral and written statements and agreements made during the course of settlement discussions will not be admissible as evidence in the hearing. The Parties agree to waive any and all objections based on settlement communications in this matter, including, but not limited to:
  - a. Objections related to prejudice or bias of any of the Central Valley Water Board members or their advisors and any other objections that are premised in whole or in part on the fact that the Central Valley Water Board members or their advisors were exposed to some of the material facts and the Parties' settlement positions, and therefore may have formed impressions or conclusions, prior to conducting any contested evidentiary hearing in this matter, except that the Discharger may object to members of the Prosecution Team serving as advisors to the Central Valley Water Board in any such subsequent administrative or judicial proceeding or hearing and may object to the Central Valley Water Board members or their advisors participation in contested evidentiary hearing on grounds not related to the settlement process addressed in this paragraph, or;
  - b. Laches or delay or other equitable defenses based on the time-period for administrative or judicial review to the extent this period has been extended by these settlement proceedings.

16. **Counterpart Signatures; Facsimile and Electronic Signature:** This Stipulation may be executed and delivered in any number of counterparts, each of which when executed and delivered shall be deemed to be an original, but such counterparts shall together constitute one document. Further, this Stipulation may be executed by facsimile or electronic signature, and any such facsimile or electronic signature by any Party hereto shall be deemed to be an original signature and shall be binding on such Party to the same extent as if such facsimile or electronic signature were an original signature.
17. **Effective Date:** This Stipulation is effective and binding on the Parties upon execution. The Proposed CDO, as may be modified in accordance with Paragraph 9, shall be effective upon issuance by the Central Valley Water Board.
