MEETING PROCEDURES

The Central Valley Water Board circulates item-specific Notices and/or Hearing Procedures along with drafts of its Orders and Amendments. If there is a conflict between an item-specific Notice or Hearing Procedure and the Meeting Procedures in this Agenda, the item-specific Notice or Hearing Procedure will control. Please contact Board staff if you do not know whether there is a Notice or Hearing Procedure for a specific item.

The statutes and regulations that govern the Central Valley Water Board's meetings can be found at http://www.waterboards.ca.gov/laws_regulations/

All persons may speak at a Central Valley Water Board meeting, and are expected to orally summarize their written submittals. Oral presentations will be limited in time by the Board Chair, and a timer may be used. Where speakers can be grouped by affiliation or interest, such groups are expected to select a spokesperson and to not be repetitive. The Board will accommodate spokespersons by granting additional time if other group members will not also be speaking.

Written materials that are received after deadlines set by item-specific Notices and/or Hearing Procedures will not generally be admitted. Any person requesting to submit late materials must demonstrate good cause, and the Chair must find that the admission of the late materials would not prejudice the Central Valley Water Board or any designated party. The Chair may modify this rule to avoid severe hardship.

Interested Persons: All persons who wish to participate in the hearing but who are not Designated Parties are Interested Persons. Interested Persons may present non-evidentiary policy statements or comments, either orally or in writing, but will not be subject to cross-examination. Interested Parties may be asked to respond to clarifying questions from the Board, staff, or others.

Order of Proceeding: for adjudicative hearings, the proceeding will be generally be conducted in the following order, unless modified by the Board Chair or specified differently in an item-specific Notice or Hearing Procedure:
