

The following pending certification applications have been received by the Central Valley Regional Water Quality Control Board and this 21-day public notice is provided pursuant to 23 CCR §3858(a). If you have comments or need further information on any of the following pending certification applications, please contact the assigned staff person.

| County Name | Applicant | Project Name | Project Description | Comment Deadline | Contact Person |
|-------------|--|--|--|------------------|---|
| FRESNO | Mohammad Alimi, County of Fresno, 2220 Tulare St 6 th Floor, Fresno, CA, 93721. Phone number: 559-600-4505. Email: malimi@fresnocountyca.gov | 5C10CR00080 Travers Creek Bridge Replacement Project on Lincoln Avenue | The project will replace the obsolete bridge on Lincoln Ave over Travers Creek. The proposed structure is a cast-in-place reinforced concrete (bottomless) culvert structure, supported on reinforced concrete spread footings with cast-in-place reinforced concrete headwalls and retaining walls. Lincoln Avenue will be widened at the culvert approaches to accommodate two 12-foot-wide travel lanes and 5-foot-wide paved shoulders on each side. | May 20, 2022 | Salazar, Brandon; Phone: 559-445-6278; Fresno; brandon.salazar@waterboards.ca.gov |
| SACRAMENTO | Ammon Rice, SMUD, 6201 S Street, Mail Stop B209, Sacramento, CA 95817. Phone number: 916.732.7466. Email: ammon.rice@smud.org | 5A34CR00853 Line 700A Emergency Erosion Repair | Emergency repairs proposed to a gas pipeline near the Yolo Wildlife Refuge. Project approved for coverage under the USACE Regional General Permit 8 for emergency projects. | May 27, 2022 | Savino, Nicholas; Phone: 916.464.4920; Sacramento; Nicholas.Savino@waterboards.ca.gov |
| SISKIYOU | David Torres, City of Mount Shasta, 305 North Mount Shasta Boulevard, Mount Shasta, CA, 96067. Phone number: 530-926-7526. Email: dtorres@mtshastaca.gov | 5A47CR00057 Mt. Shasta Sewer Interceptor Improvements Project | The City of Mt. Shasta is currently replacing a sewer interceptor that generally extends from Hatchery Lane to South Old Stage Road south of Ream Avenue. Water Quality Certification was obtained in March 2020. The City and project engineer have recently determined that an existing culvert under S. Old Stage Road is in such poor condition that the sewer interceptor cannot be extended under the culvert as previously planned. Instead, the culvert must be replaced in conjunction with sewer interceptor construction. | May 27, 2022 | Warner, Daniel; Phone: (530) 224-4848; Redding; Daniel.Warner@waterboards.ca.gov |
