WATER QUALITY CONTROL BOARD

**DATE:** 3 November 2011

**SUBJECT:** APPROVAL OF FINAL DRINKING WATER POLICY OUTLINE,  
WORKPLAN, AND FUNDING PROPOSAL

At the 13 October 2011 Central Valley Water Board meeting, staff presented a draft Policy Outline, Workplan, and Funding Proposal as part of an Information Item to provide a status update on the development of a *Drinking Water Policy for Surface Waters of the Delta and its Tributaries*. The development of the Policy Outline, Workplan, and Funding Proposal was directed by the Central Valley Water Board in Resolution No. R5-2010-0079, and the Information Item provided an opportunity for interested parties to provide comments on the draft Policy Outline, Workplan, and Funding Proposal.

Staff received minimal comments from members of the Board and the public regarding the draft Policy Outline, Workplan, and Funding Proposal. Staff received one comment on the draft documents from the Drinking Water Policy Workgroup and made changes to address the comment.

With the changes made by staff, the Policy Outline, Workplan, and Funding Proposal presented during the Information Item have now been finalized.
