

**Public Notice of 401 Certification and/or WDR Applications**

<b>Project Name</b>	CEDAR FLAT IMPROVEMENT ASSOCIATION NEW BUOY INSTALLATION
<b>Project Description</b>	The CFIA has an existing mooring buoy field consisting of twenty-one (21) legally existing buoys. The CFIA proposes to install a total of fifteen (15) additional mooring buoys as a result of receiving TRPA Permit #MOOR21-1827 from allocations #L2020-0072 for four (4) buoys, #L2021-0271 for five (5) buoys, and #L2022-0338 for six (6) buoys. The fifteen (15) additional buoys are infill to the existing mooring field. Once installed the buoy field will consist of thirty-six (36) mooring buoys to serve a subdivision with 133 residential units. Access and staging will occur from the buoy tender's boat/barge where the anchor blocks and fish habitat enhancement will be deployed.
