Contents	i
List of Figures	iii
List of Tables	viii

Introduction

Foreword	ix
Author's Remarks	xiii
Closing Remarks	xiv

Chapter 1

The Early Years (Pre 1975)	1.1
Much Discussion, But Little Action	1.1
The First Pumping and Treatment Facilities	1.7

Chapter 2

Documenting the Problem (Mid/Late 1970's)	2.1
Water Quality Monitoring	2.1
Regional Board Monitoring Program	2.11
New River Posting	2.19

Chapter 3

Water Quality Standards (Late 1970's, Mid-1980's)	3.1
Arguing for the Standards	3.1
Treaty Minute No. 261	3.9
Treaty Minute No. 264 (The Standards)	3.15
The Treaty Violations	3.17

Chapter 4

Changing of the Guard (Mid 1980's)	4.1
An Unannounced Visit	4.1
The Binational New River Inspections	4.27

Chapter 5

A Cooperative Approach (Late 1980's)	5.1
Minute No. 274 (Adding Pumping/Treatment Works)	5.1
Treaty Minute No. 288	5.27

Chapter 6

A U.S./Mexico Partnership (Early/Mid 1990's)	6.1
Working Towards Problem Solution	6.1
The "Quick Fixes" Program	6.23

Chapter 7

The Road Ahead (Mid/Late 1990's)	7.1
The Industrial Discharges	7.1
Mexicali II	7.11
The Quick Fixes--Phase II?	7.21

Appendix A

Mexicali Wastewater Data	A.1
---	------------

Appendix B

New River Water Quality Data	B.1
---	------------
