Dear Mr. McFedries:

**SUBJECT: REVIEW OF MONITORING REPORT FOR ORDER NO. 94-107
DOS PICOS PARK**

The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) has reviewed the January–December 2009 annual monitoring report submitted by the Department of Parks and Recreation in accordance with Monitoring and Reporting Program No. 94-107.

The following violation of Order No. 94-107 was identified in the submitted report:

Section C.1 of Monitoring and Reporting Program No. 94-107 requires you to sample for pH, total dissolved solids (TDS), phenol, methylene blue active substance (MBAS), and zinc at least once every five years. The last time that these constituents were sampled for was in 2002. Only the results for TDS and MBAS were reported in the annual report submitted, the rest were missing.

Please be aware this violation subjects you to possible further enforcement action by the San Diego Water Board, including administrative enforcement orders requiring the you to cease and desist from violations, or to clean up waste and abate existing or threatened conditions of pollution or nuisance; administrative assessment of civil liability in amounts of up to \$5,000 per day per violation;¹ referral to the State Attorney General for injunctive relief; and referral to the District Attorney for criminal prosecution.

The next monitoring report required to be submitted is the January-December 2010 annual report, which is due by January 30, 2011. Please update the new owner's contact information in the next monitoring report.

¹ Under authority of California Water Code section 13350.
