Mr. Francisco Ramirez, Owner
Atlas Wood Products
PO Box 13-949
San Diego, CA 92170

In reply refer to:
Application ID: 416941: WGhoram

Dear Mr. Ramirez:

Subject: SECOND NOTICE - Requirement to Enroll Under Industrial Storm Water General Permit, Atlas Wood Products

Pursuant to California Water Code (CWC) Section 13399.30, this letter serves as your second and final notice that Atlas Wood Products is required to enroll under Order No. 97-03-DWQ, National Pollutant Discharge Elimination System (NPDES) General Permit No. CAS000001, *Waste Discharge Requirements (WDRs) For Discharges of Storm Water Associated with Industrial Activities Excluding Construction Activities* (Industrial Storm Water Permit). By letter dated July 8, 2011, you were notified by the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) that coverage under the Industrial Storm Water Permit for your facility located at 8075 Siempre Viva Road in San Diego is mandatory. You were also notified by the City of San Diego and San Diego Water Board inspectors of the requirement to enroll under the Industrial Storm Water Permit during a visit to your facility on June 23, 2011.

For more information about the Industrial Storm Water Permitting Program, please see our website at:

http://www.waterboards.ca.gov/water_issues/programs/stormwater/industrial.shtml.

A copy of the Industrial Storm Water General Permit, including the Notice of Intent (NOI) was included in your first notice from the San Diego Water Board, dated July 5, 2011. Within thirty days, please submit a completed NOI, a site map of the facility, and the application fee of \$1008 made payable to "State Water Resources Control Board." All materials must be sent to the following address:

State Water Resources Control Board
Division of Water Quality
Attn: Storm Water Section
P.O. Box 1977
Sacramento, CA 95812-1977

Failure to seek coverage could result in a mandatory minimum penalty of not less than \$5000 per year of noncompliance pursuant to CWC sections 13399.30 and 13399.33. The San Diego Water Board strongly urges you to bring your facility into compliance to avoid mandatory minimum penalties.

In the subject line of any response, please include the requested "In reply refer to:" information located in the heading of this letter. For questions pertaining to the subject matter, please contact Ms. Whitney Ghoram at (858) 467-2967 or wghoram@waterboards.ca.gov.

Respectfully,

DAVID T. BARKER, P.E.
Supervising Water Resource Control Engineer
Surface Waters Basins Branch
