The California Water Code (CWC) includes provisions for a variety of enforcement actions for violations of the terms and conditions of Order No. R9-2007-0034, the CWC, and the Clean Water Act. Violations of Order No. R9-2007-0034 may subject Ariel Suites, L.P. to further enforcement including Cleanup and Abatement Orders, Cease and Desist Orders, Administrative Assessment of Liability, and/or termination of enrollment under Order No. R9-2007-0034. Liability could be administratively imposed to a maximum of \$10,000 per violation plus \$10 per gallon of waste discharged. In addition, pursuant to the CWC sections 13385 (h) and (i), some violations of effluent limitations may be subject to Mandatory Minimum Penalties (MMP) of \$3,000 for each violation. The San Diego Water Board will notify you of any violations that are determined to be subject to MMPs.

Please review the monitoring and reporting schedule of Order No. R9-2007-0034 and ensure that monitoring reports are received at the San Diego Water Board office by the due dates indicated in the Order.
