**Subject: Tentative Order No. R9-2013-0001
San Diego Region MS4 Permit Reissuance**

The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) is pleased to release for public review and comment Tentative Order No. R9-2013-0001, NPDES No. CAS0109266, *National Pollutant Discharge Elimination System (NPDES) Permit and Waste Discharge Requirements for Discharges of Urban Runoff from the Municipal Separate Storm Sewer Systems (MS4s) Draining the Watersheds within the San Diego Region* (Tentative Order). Notice is hereby given that the San Diego Water Board will receive written comments on the Tentative Order in accordance with title 40 Code of Federal Regulations section 124.10 and Water Code section 13167.5.

The Tentative Order is a regional MS4 permit that proposes to jointly cover all 39 Copermittees within the San Diego Region (i.e., South Orange County, Southwestern Riverside County, and San Diego County), in a phased manner as their current MS4 permits expire or upon request for earlier coverage prior to permit expiration. The Tentative Order covers multiple discharge points to multiple receiving waters throughout the San Diego Water Board Region. All MS4 Copermittees in the San Diego Region are therefore on notice that they may ultimately be regulated under the Tentative Order, if adopted. Copermittees covered by the San Diego County MS4 permit (Order No. R9-2007-0001) must submit any written comments on the Tentative Order during the comment period described below. Copermittees covered by the Orange County and Riverside County MS4 permits (Order Nos. R9-2009-0002 and R9-2010-0016, respectively), for which Reports of Waste Discharge have not yet been filed, are strongly encouraged to submit written comments on the Tentative Order during the comment period described below.

The Tentative Order includes in Attachment F, a Fact Sheet pursuant to title 40 code of Federal Regulations section 124.8 (a) that sets forth the principal background information and facts, regulatory and legal citations, references and additional explanatory information and data in support of the requirements of the Tentative Order.

The early submission of written comments on the Tentative Order is encouraged. Electronic written comments are acceptable and should be submitted via e-mail to the attention of Wayne Chiu at wchiu@waterboards.ca.gov.

Please indicate in the subject line of all written comments "Comment – Tentative Order No. R9-2013-0001, Regional MS4 Permit, Place ID: 786088Wchiu." If the submitted written comments exceed five pages in length or contain foldouts, color graphics, or maps, 15 hard copies must be submitted for distribution to the San Diego Water Board members and staff.

The submission of written comments is the opportunity for Copermittees and interested persons to raise and comment on issues pertaining to the terms and conditions of the Tentative Order. All written comments including testimony, technical documentation and factual information pertaining to the terms and conditions of the Tentative Order to be considered by the San Diego Water Board at the as yet unscheduled public hearing must be received by 5:00 pm on January 11, 2013. At a later date following submittal of written comments, the San Diego Water Board will convene a public hearing to hear testimony and policy statements from the Copermittees and interested persons summarizing their written comments and to consider adoption of the Tentative Order. The scope of oral testimony at the public hearing will be strictly limited to summarizing the previously submitted written comments and making policy statements. No new issues may be raised at the hearing.

Consistent with State Water Board regulations that apply to this proceeding, written comments received after the close of the comment period will not be accepted and will not be incorporated into the administrative record if doing so would prejudice any party. Written comments received by the close of the comment period will be provided to the San Diego
