Subject: San Diego Regional Storm Water Permit Response to Comments & Tentative Order w/ changes
Date: Tuesday, March 05, 2013 10:01:18 AM
Attachments: [2013-0305 Tentative Order USEPA Review Draft.pdf](#)
[Response to Comments Table COMPLETE.pdf](#)

Hi All-

Please see attached proposed changes to our Regional Storm Water Permit in response to comments. I also attached our response to comments document. Both documents are draft and we are still making some minor changes. Also, we are meeting with our Board members for briefings starting March 18th. So if possible, we would like to set up a conference call next week to discuss any comments you might have on our proposed changes or anything else.

Thanks.

Eric Becker, P.E.
