### Division of Financial Assistance Statewide and Regional SAFER Programs

(Updated May 27, 2021)

#### Project/Program Title | Project Type | Who Project Services | Where Project Services | Funding Source | Total Funding Amount | Estimated Funds Remaining | Project Description | Has project been implemented? | Project Status | Water Boards | Project Manager | Contact Application Information | Contract Number
--- | --- | --- | --- | --- | --- | --- | --- | --- | --- | --- | --- | --- | --- | ---
**CWC Regional Bottled Water Program**
Bottled Water | Households | Region 3: Santa Clara (south of Morgan Hill), San Mateo (southwestern portion), Santa Cruz, San Benito, Monterey, Kern (small portion), San Luis Obispo, Santa Barbara, and Ventura (northern portion) Counties | Community Water Center (CWC) | Safe and Affordable Drinking Water Fund (SAADWF Fund) | $ 903,964 | $ 830,000 | The grant is for purchasing and making available 60-100 gallons of bottled drinking water per household per month for a minimum of 250 eligible Disadvantaged Households within the area of the Central Coast Regional Water Quality Control Board. To be eligible for Project services, Disadvantaged Households must be served by a private well or small water system, with a Contaminated Water Supply and must not be eligible for bottled drinking water through another state funded program or a settlement agreement. | Yes | Implemented on 9/30/2020 ($600,000 Amendment Pending) | Karmina Padgett, Karmina.Padgett@waterboards.ca.gov | Healthcare Luka, Director of Community Solutions, Community Water Center | D1917002

**SHE Regional Bottled Water Program**
Bottled Water | Households | Fresno, Kern, Kings, Merced, Stanislaus, and Tulare Counties | Self-Help Enterprises (SHE) | Safe and Affordable Drinking Water Fund (SAADWF Fund) | $ 2,049,631 | $ 2,059,980 | The funding is to establish and implement a regional bottled water program to provide bottled drinking water to disadvantaged households served by public water systems, with less than 1,000 people, small water systems, and private household wells, located in the service area which includes Kern, Kings, Tulare, Fresno, Merced, Madera, Fresno, St. Johns, and Stanislaus counties and the Village Mobile Home Park with a contaminated water supply that do not currently have any other bottled water programs serving the area. Bottled water will be provided to enrollees through the Work Completion Date or until a long-term solution, or other interim solution, is in place, whichever occurs first. | Yes | Implemented on 2/1/2021 ($1,983,002 Amendment Pending) | Mark Magtoto, Mark.Magtoto@waterboards.ca.gov | Ashley Young 8445 W. Elson Court P.O. Box 65222 Visalia, CA 93290 559-802-1273 Office ashleyy@selfhelpenterprises.org | D1917010

**Tulare County Bottled Water Program**
Bottled Water | Households | Tulare County | Tulare County | AB74 Provision 1 | $ 948,574 | $ 850,865 | The funding is for the purpose of continuing the implementation of the Tulare Countywide Bottled Water Program (CBWP), funded under State Water Board agreement no. 08114142401 to provide bottled water to disadvantaged households served by public water systems with less than 1,000 people, small water systems, and private household wells, located in Tulare County, with a contaminated water supply that do not currently have any other bottled water programs serving the area. | Yes | Implemented on 2/17/2021 | Mark Magtoto, Mark.Magtoto@waterboards.ca.gov | Sandra Sabin 5961 S. Monetary Blvd, Visalia, CA 93277 Office (559) 634-7071 Cell (559) 334-7766 ssabin@tularecounty.ca.gov | D2018138

**Statewide Bottled Water for Schools Program**
Bottled Water | Schools | Statewide | Rural Community Assistance Corporation | Safe and Affordable Drinking Water Fund (SAADWF Fund) | $ 2,500,000 | $ 2,420,000 | The funding is for the purpose of establishing and implementing a statewide program for the purchase and delivery of bottled water for public schools with a water quality issue. Rural Community Assistance Corporation contracts directly with vendors who deliver bottled water to enrolled schools. | Yes | Implemented on 5/14/2020 | Kristen Torres, Kristen.Torres@waterboards.ca.gov | Sara Cammarano agua4all@rcac.org https://agua4all.rcac.org/bws/ | D1917001

**Madera County Emergency Bottled Water Drinking Water Program**
Bottled Water | Households | Madera County | Community Action Partnership of Madera County (CAPMC) | Safe and Affordable Drinking Water Fund (SAADWF Fund) | $ 115,500 | $ 80,600 | The funding is for purchasing and delivering bottled drinking water to disadvantaged households in Madera County with a dry well or a water quality issue. Community Action Partnership of Madera County (CAPMC) contracts directly with a vendor who delivers bottled water to enrolled households. | Yes | Implemented on 7/2/2020 | Kristen Torres, Kristen.Torres@waterboards.ca.gov | Arne Ibanez aibanez@maderacap.org Office: 559-675-1973 Direct: 559-675-1974 Elizabeth Wiesner ewiesner@maderacap.org 559-675-5342 | D1917003

**CIRA Household Well Assistance Project**
Domestic Well | Households | San Bernardino County | California Rural Water Association (CIRA) | SB 862 - general funds | $ 1,390,034 | $ 1,390,034 | The funding will be for implementing a Household Well Assistance (HWA) program in the Mojave Water Agency service area. California Rural Water Association (CIRA) will replace wells for disadvantaged households, whose domestic well is no longer usable due to declining water level. CIRA has identified approximately 20 potential applicants through their work in the Mojave Water Agency service area. | No | Not implemented. Estimated implementation: 9/30/2021 | Alexandra Nicopoulos, Alexandra.Nicopoulos@waterboards.ca.gov | Dustin Harkewicz, Deputy Director California Rural Water Association Ph: (916) 553-4900 ext. 108 dharkewicz@cawater.org | D2018139
**Project/Program Title** | **Project Type** | **Who Project Services** | **Where Project Services** | **Funding Recipient** | **Funding Source** | **Total Funding Amount** | **Estimated Funds Remaining** | **Project Description** | **Has project been implemented?** | **Project Status** | **Water Boards/Project Manager** | **Contact Application Information** | **Contract Number**
---|---|---|---|---|---|---|---|---|---|---|---|---|---|---
**Tank & Hauling Program** | Hauled Water | Households | Fresno, Kern, Kings, Madera, Mariposa, Merced, Stanislaus, and Tulare Counties | Self-Help Enterprises (SHE) | AB 74 Provision 2.6 | $2,375,000 | $2,375,000 | Yes funding is for implementing a program to purchase and deliver temporary water storage tanks and hauled potable drinking water to households that have lost their water supply because of their well becoming dry. located in the following counties: Fresno, Kern, Kings, Madera, Mariposa, Merced, Stanislaus, and Tulare counties. Assistance will be provided to homes until a long-term solution is in place. | Yes | Implemented on 3/23/2021 ($3,750,000 Amendment Pending) | Mohamed Salem, Mohamed.Salem@Waterboards.ca.gov | Tami McCoy 8445 W. Elsinor Court P.O. Box 6520 Visalia, CA 93290 559-850-1671 Office TamiMcC@selfhelpenterprises.org | D2018001

**Lead Testing and Remediation in Drinking Water at California Child Care Centers** | Lead testing and faucet replacement | Childcare | Statewide | University Enterprises, Inc. | SB 862 - Provision 4 | $4,900,000 | $400,000 | This funding provides technical assistance to California Licensed Child Care Centers. To collect and analyze drinking water samples for lead at a minimum of 1,500 Licensed Child Care Centers, and remediate lead contamination that exceeds a certain threshold. This project supports the water implementation of AB 2370 (2019) by the California Department of Social Services. | Yes | Implemented on 4/3/2020 | Alex Huang, Alex.Huang@Waterboards.ca.gov | Brian Currier California State University, Sacramento Office of Water Programs 6000 J Street Sacramento, CA 95819-6025 (916) 278-8109 brian.currier@uwsp.caas.edu | D1918001

**SHE Household Private Well Replacement Program SB-108** | Point-of-use (POU) Point-of-entry (POE) | Households | Fresno, Kern, Kings, Madera, Mariposa, Merced, Stanislaus, and Tulare Counties | Self-Help Enterprises (SHE) | SB 108 | $6,150,000 | $103,341 | This funding establishes a program (administered by Self-Help Enterprises) that will conduct outreach to prospective disadvantaged households within Kern, Kings, Tulare, Fresno, Madera, Merced, Mariposa and Stanislaus counties that are served by private wells. Self-Help Enterprises will conduct well testing to provide interim solutions including point of entry water point of use (POE/POU) filtration devices to enrolled households that have water quality issues. All funds for this program have been allocated. | Yes | Implemented on 8/21/2020 | Lydia Montgomery, Lydia.Montgomery@Waterboards.ca.gov | Tami McCoy 8445 W. Elsinor Court P.O. Box 6520 Visalia, CA 93290 559-850-1671 Office TamiMcC@selfhelpenterprises.org | D1719791

**SHE Household Private Well Assistance Program** | Point-of-use (POU) Point-of-entry (POE) | Households | Fresno, Kern, Kings, Madera, Mariposa, Merced, Stanislaus, and Tulare Counties | Self-Help Enterprises (SHE) | Safe and Affordable Drinking Water Fund (SADWF Fund) | $1,821,500 | $1,749,433 | This funding establishes and implements the Household Private Wells Assistance Program (Program). The Program will conduct outreach to disadvantaged households within Kern, Kings, Tulare, Fresno, Madera, Merced, Mariposa and Stanislaus counties that are served by private wells or state small water systems and will conduct well testing to provide interim solutions including point of entry and/or point of use (POE/POU) filtration devices to enrolled households that have water quality issues. This is a continuation of the SB-108 Program. | Yes | Implemented on 2/17/2021 ($11,055,375 Amendment Pending) | Mark Magistro, Mark.Magistro@Waterboards.ca.gov | Laura Sattlerlee 8445 W. Elsinor Court P.O. Box 6520 Visalia, CA 93290 559-850-1717 Office laura@selfhelpenterprises.org | D1917011

**Drinking Water for Schools Grant Program Round 2** | Point-of-use (POU) Point-of-entry (POE) and Access Impairment (Fountains) | Schools | Statewide | Rural Community Assistance Corporation | SB 862 general funds | $2,579,000 | $2,579,000 | The purpose of this grant program is to fund local educational agencies (LEAs) serving K-12 grades located on public school property. First priority is given to schools with a drinking water impairment. Schools must be disadvantaged communities and either have an access impairment and/or drinking water quality impairment. This program is for interim solutions such as, point-of-use (POU), point-of-entry (POE), lead fixture replacements, and new drinking fountains and is lead by Rural Community Assistance Corporation | Yes | Implemented on 10/21/2020 | Ravi Jawandia, Ravi@waterboards.ca.gov | Stephanie Villegas Rural Community Assistance Corporation 3120 Freeboard Drive, Suite 201, West Sacramento, CA 95691 Aqualeas@rcac.org | D1916401

**Drinking Water for Schools Grant Program Round 2** | Point-of-use (POU) Point-of-entry (POE) and Access Impairment (Fountains) | Schools | Fresno, Kern, Kings, Madera, Mariposa, Merced, Stanislaus, and Tulare Counties | Self-Help Enterprises (SHE) | SB 862 general funds | $3,856,000 | $3,856,000 | The purpose of this grant program is to fund local educational agencies (LEA) serving K-12 grades located on public school property within Fresno, Kern, Kings, Madera, Mariposa, Merced, Stanislaus, and Tulare counties. First priority is given to schools with a drinking water impairment. Schools must be disadvantaged communities and either have an access impairment and/or drinking water quality impairment. This program is for interim solutions such as, point-of-use (POU), point-of-entry (POE), lead fixture replacements, and new drinking fountains and is led by Self-Help Enterprises. | Yes | Implemented on 11/4/2020 | Ravi Jawandia, Ravi@waterboards.ca.gov | Cecilia Veliz (SHE) 8445 W. Elsinor Court P.O. Box 6520 Visalia, CA 93290 Ceciliav@selfhelpenterprises.org | D1916402

### Comprehensive Assistance to Tribal and Small Systems Project
- **Project Title:** Legal Assistance in the Wastewater Technical Assistance
- **Statewide and Regional SAFER Programs**
- **San Joaquin and Central Coast**
- **Prop 1**
- **UC Davis**
- **Funding Source:** Rural Community Assistance Corporation
- **Funding Amount:** $1,817,679
- **Estimated Funds Remaining:** $2,991,709
- **Project Description:** This funding is to provide technical assistance to small disadvantaged communities (DACs). This technical assistance helps these communities develop, fund, and implement eligible water and wastewater projects by providing capacity-building activities, assisting systems with project planning and management, and providing legal assistance.
- **Has project been implemented?** Yes
- **Project Status:** Implemented on 8/16/2016; amended on 6/24/2019 and 5/14/2020
- **Contact Application Information:** Emma Blankenship, Emma.blankenship@waterboards.ca.gov
- **Contract Number:** D1612801

### Outreach Engagement and Legal Assistance in the San Joaquin and Coachella Valleys
- **Project Title:** Aoki Water Justice Clinic
- **Technical Assistance**
- **Prop 1**
- **UC Davis**
- **Funding Source:** Leadership Counsel for Justice and Accountability
- **Funding Amount:** $817,328
- **Estimated Funds Remaining:** $643,401
- **Project Description:** This funding is to provide technical assistance to small disadvantaged communities (DACs) in the San Joaquin and Coachella Valleys. This technical assistance helps these communities with legal assistance and community outreach to assess and develop long-term and regional water and wastewater solutions.
- **Has project been implemented?** Yes
- **Project Status:** Implemented on 12/15/2016; amended on 11/23/2019 and 9/4/2020
- **Contact Application Information:** Emma Blankenship, Emma.blankenship@waterboards.ca.gov
- **Contract Number:** D1612812

### Drinking Water and Wastewater Technical Assistance
- **Project Title:** Community Water Center
- **Technical Assistance**
- **Prop 1**
- **UC Davis**
- **Funding Source:** University Enterprises
- **Funding Amount:** $1,150,000
- **Estimated Funds Remaining:** $7,742,430
- **Project Description:** The goal of the project is to ensure small, disadvantaged communities (DACs) have sustainable water supply, treatment, storage and distribution systems; wastewater collection, treatment and disposal systems that meet state and federal standards. Long-term goals of the program include establishing include asset management, operator training and certification, and an appropriate rate structure.
- **Has project been implemented?** Yes
- **Project Status:** Implemented on 10/26/16; amended on 6/24/19; Amendment for time extension pending
- **Contact Application Information:** David Chan, David.Chan@waterboards.ca.gov
- **Contract Number:** D1612806

### Community Driven Water Solutions in the San Joaquin Valley and Central Coast
- **Project Title:** Aoki Water Justice Clinic
- **Technical Assistance**
- **Prop 1**
- **UC Davis**
- **Funding Source:** Community Water Center
- **Funding Amount:** $3,039,939
- **Estimated Funds Remaining:** $2,791,427
- **Project Description:** The project provides technical assistance to disadvantaged communities for both immediate and long-term drinking water solutions in the San Joaquin Valley and Central Coast, including consolidation projects to address sustainability and affordability. Technical assistance will be used to implement both drinking water and wastewater projects. Community Water Center (CWC) will create and provide bilingual education and engagement materials to facilitate drinking water solutions; conduct education and outreach to small rural Disadvantaged Communities for interim and long-term solutions; provide water quality testing; coordinate drought relief in target counties; and develop and facilitate a water leaders network for local water board members and staff.
- **Has project been implemented?** Yes
- **Project Status:** Implemented on 9/21/2016
- **Contact Application Information:** Zach Farrell, Zachary.Farrell@waterboards.ca.gov
- **Contract Number:** D1612803
