Order No. 97-52 prescribes requirements for the South Orange County Reclamation Authority and its member agencies listed in Table 1 of the Order.
2. Finding No. 1 of Order No. 97-52 identifies Los Alisos Water District as a member agency and Irvine Ranch Water District as an associate member agency, of the South Orange County Reclamation Authority.

5. Consolidation of the aforementioned entities that are subject to regulation under Order No. 97-52 is exempt from the provisions of the California Environmental Quality Act (Public Resources Code, Section 21000, et seq.) because it involves a change in the organization of local governmental entities, in accordance with Section 15320, Chapter 3, Title 14, California Administrative Code.
6. The Regional Board has notified the dischargers identified in Order No. 97-52 and all known interested parties of its intent to amend Order No. 97-52.
