Subject: Settlement Offer No. R9-2019-0120: Offer to Participate in Expedited Payment Program Relating to Violations of Order No. R9-2013-0006, NPDES No. CA0109045

Dr. Vroom:

The City of San Diego (Permittee) is hereby notified of alleged violations of Order No. R9-2013-0006, *Waste Discharge Requirements for the City of San Diego South Bay Water Reclamation Plant Discharge to the Pacific Ocean via the South Bay Ocean Outfall*, and of the opportunity to participate in an Expedited Payment Program to address liability that may be assessed pursuant to Water Code section 13385.

ALLEGED VIOLATIONS SUBJECT TO THIS OFFER

As detailed in Exhibit A, the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) alleges that the Permittee has violated Order No. R9-2013-0006.

STATUTORY LIABILITY

The Permittee is subject to the following statutory liabilities:

1. Water Code section 13385(h) requires the assessment of a mandatory minimum penalty of \$3,000 for each specified serious violation;
2. Water Code section 13385(c) allows for additional civil liability of up to \$10,000 for each day in which the violations occurs, and \$10 for each gallon discharged but not cleaned up in excess of 1,000 gallons; and
3. Water Code section 13385(e) allows for the reimbursement of staff costs.

These mandatory minimum penalties and discretionary administrative civil liabilities may be assessed by the San Diego Water Board beginning with the date that the violations first occurred.¹

The formal enforcement that the San Diego Water Board uses to assess such liability is an administrative civil liability complaint, although the San Diego Water Board may instead refer such matters to the Attorney General's Office for prosecution. If referred to the Attorney General's Office for prosecution, the Superior Court may assess up to \$25,000 per violation. In

¹ There is no statute of limitations applicable to administrative proceedings to assess mandatory minimum penalties. See *City of Oakland v. Public Employees' Retirement System* (2002) 95 Cal.App.4th 29, 48; 3 Witkin, Cal. Procedure (4th ed. 1996) Actions § 405(2), p. 510.)

addition, the Superior Court may assess up to \$25 per gallon discharged but not cleaned up in excess of 1,000 gallons, plus staff costs.

SETTLEMENT OFFER

The Permittee can avoid formal enforcement action and settle the alleged violations identified in Exhibit A by participating in the San Diego Water Board's Expedited Payment Program. The Permittee may accept this conditional Settlement Offer, waive its right to a hearing, and pay the mandatory minimum penalty of **\$9,000** for the violations described in Exhibit A. If the Permittee elects to do so, the San Diego Water Board, or its delegate, will execute the Settlement Offer, subject to the conditions below. Accordingly, the San Diego Water Board will forego issuance of a formal administrative liability complaint, will not refer the violations to the Attorney General's Office, will not charge incurred staff costs, and will waive its right to seek additional discretionary civil liabilities for the violations identified in Exhibit A.

The Expedited Payment Program does not address or resolve liability for any violation that is not specifically identified in Exhibit A regardless of the date that the violation occurred.

OPTIONS FOR RESPONSE TO OFFER

1. If the Permittee accepts this offer, the Permittee shall complete and return the enclosed Acceptance of Conditional Resolution and Waiver of Right to Hearing of Settlement Offer No. R9-2019-0120 (Acceptance and Waiver, Exhibit B) on or before 5 p.m. on May 28, 2019
2. If the Permittee chooses to contest the violations alleged in Exhibit A, the Permittee shall submit in writing the specific violations and the basis for the challenge (factual error, affirmative defense, etc.) to the San Diego Water Board on or before 5 p.m. on May 28, 2019. The San Diego Water Board will evaluate the contested violations and take one of two actions:
 - a. The San Diego Water Board will determine that the violations are not supported, expunge the alleged violations, take no further action against the Permittee for the alleged violations, and notify the Permittee in writing of that determination; or
 - b. The San Diego Water Board will determine that the alleged violations are meritorious and will notify the Permittee of that determination. The Permittee will be given 30 days from the date of receipt of the San Diego Water Board determination to either accept the Settlement Offer by completing and returning the Acceptance and Waiver to the San Diego Water Board, or to reject the Settlement Offer.
3. If the Permittee does not respond to this offer, the San Diego Water Board will initiate a formal enforcement action with regard to the alleged violations. In a formal enforcement action, the liability amount sought and/or imposed may exceed the liability amount set forth in this conditional Settlement Offer. Moreover, the staff costs of investigating the violations and proceeding with formal enforcement action are factors that will be considered in assessing the liability amount.

CONDITIONS FOR SAN DIEGO WATER BOARD ACCEPTANCE OF RESOLUTION

Pursuant to title 40 of the Code of Federal Regulations (40 CFR), section 123.27(d)(2)(iii), the San Diego Water Board is required to publish and allow the public 30 days to comment on any settlement of an enforcement action addressing alleged violations of National Pollutant Discharge Elimination System (NPDES) permit conditions. Upon receipt of the Permittee's

Acceptance and Waiver, the San Diego Water Board will publish a notice of the proposed resolution of the violations.

If no comments are received within the 30-day comment period, and unless there are new material facts that become available to the San Diego Water Board, the San Diego Water Board, or its delegate, will execute the Acceptance and Waiver as a stipulated order assessing the uncontested mandatory minimum penalty amount pursuant to Water Code sections 13385.

If, however, significant comments are received in opposition to the settlement, this conditional offer may be withdrawn. In that case, the Permittee's waiver pursuant to the Acceptance and Waiver will also be treated as withdrawn, and the violation will be addressed in a liability assessment proceeding. At the liability assessment hearing, the Permittee will be free to make arguments as to the alleged violations, and the Permittee's agreement to accept this conditional Settlement Offer will not in any way be binding or used as evidence against the Permittee. The Permittee will be provided with further information on the liability assessment proceeding.

In the event the Acceptance and Waiver is executed by the San Diego Water Board, or its delegate, full payment of the assessed amount shall be due within 30 calendar days after the Permittee's receipt of the notice of the San Diego Water Board's, or its delegate's, execution. In accordance with Water Code section 13385(n)(1), funds collected for violations of effluent limitations shall be deposited in the State Water Pollution Cleanup and Abatement Account. Accordingly, the liability shall be paid by cashier's or certified check made out to the "State Water Pollution Cleanup and Abatement Account." Failure to pay the full liability within the required time period may subject the Permittee to further liability.

ACCEPTANCE OF CONDITIONAL RESOLUTION AND WAIVER OF RIGHT TO HEARING OF THE SETTLEMENT OFFER NO. R9-2019-0120

By signing below and returning this Acceptance of Conditional Resolution and Waiver of Right to Hearing (Acceptance and Waiver) to the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board), the City of San Diego (Permittee) hereby accepts the *Offer to Participate in Expedited Payment Program* and waives the right to a hearing before the San Diego Water Board to dispute the allegations of violations described in the Settlement Offer, which is attached hereto as Exhibit A and incorporated herein by reference.

The Permittee agrees that the Settlement Offer shall serve as a complaint pursuant to Article 2.5 of the Water Code and that no separate complaint is required for the San Diego Water Board to assert jurisdiction over the alleged violations through its Chief Prosecutor. The Permittee agrees to pay the penalties required by Water Code section 13385(h), in the sum of **\$9,000** (Expedited Payment Amount), which shall be deemed payment in full of any civil liability pursuant to Water Code section 13385 that otherwise might be assessed for the violations described in the Settlement Offer. The Permittee understands that this Acceptance and Waiver waives the Permittee's right to contest the allegations in the Settlement Offer and the amount of civil liability for such violation.

The Permittee understands that this Acceptance and Waiver does not address or resolve liability for any violation that is not specifically identified in the Settlement Offer.

Upon execution by the Permittee, the completed Acceptance and Waiver shall be returned to:

California Regional Water Quality Control Board, San Diego Region
2375 Northside Drive, Suite 100
San Diego, CA 92108-2700
ATTN: 257831:KYaeger

The Permittee understands that federal regulations set forth at title 40 of the Code of Federal Regulations, section 123.27(d)(2)(iii), require the San Diego Water Board to publish notice of and provide at least 30 days for public comment on any proposed resolution of an enforcement action addressing National Pollutant Discharge Elimination System (NPDES) permit violations. Accordingly, this Acceptance and Waiver, prior to execution by the San Diego Water Board, or its delegate, will be published as required by law for public comment.

During the public comment period, if no comments are received that cause the San Diego Water Board, or its delegate, to question the Expedited Payment Amount, the San Diego Water Board, or its delegate, will execute the Acceptance and Waiver.

The Permittee understands that if significant comments are received in opposition to the Expedited Payment Amount, the offer on behalf of the San Diego Water Board to resolve the violations set forth in the Settlement Offer may be withdrawn. In that circumstance, the Permittee will be advised of the withdrawal and an administrative civil liability complaint may be issued and the matter may be set for a hearing before the San Diego Water Board. For such a liability hearing, the Permittee understands that this Acceptance and Waiver executed by the Permittee will be treated as a settlement communication and will not be used as evidence in that hearing.

The Permittee further understands that once the Acceptance and Waiver is executed by the San Diego Water Board, or its delegate, the full payment required by the deadline set forth below is a condition of this Acceptance and Waiver. In accordance with Water Code section 13385(n)(1),

funds collected for violations of effluent limitations pursuant to section 13385 shall be deposited in the State Water Pollution Cleanup and Abatement Account. Accordingly, the liability shall be paid by a cashier's or certified check for **\$9,000** made out to the "State Water Pollution Cleanup and Abatement Account." Payment must be submitted to the State Water Resources Control Board, Accounting Office, Attn: ACL Payment, P.O. Box 1888, Sacramento, CA 95812-1888, no later than thirty (30) calendar days after the date the Permittee receives written notice that the San Diego Water Board, or its delegate, has executed this Acceptance and Waiver.
