Subject: Settlement Offer No. R9-2021-0123: Offer to Participate in Expedited Payment Program Relating to Violations of Order No. R9-2015-0013, NPDES No. CAG919003 for the Promenade Mall Development Corporation, the Promenade at Pacific Beach Discharge to Mission Bay

Mr. Katz:

The Promenade Mall Development Corporation (Permittee) is hereby notified of alleged violations of Order No. R9-2015-0013, NPDES No. CAG919003, *General Waste Discharge Requirements for Groundwater Extraction Discharges to Surface Waters within the San Diego Region*, and of the opportunity to participate in an Expedited Payment Program to address liability that may be assessed pursuant to Water Code section 13385.

ALLEGED VIOLATIONS SUBJECT TO THIS OFFER

As detailed in the attached *Notice of Violation(s) of Order No. R9-2015-0013, NPDES No. CAG919003, Subject to Mandatory Minimum Penalties, Promenade Mall Development Corporation, the Promenade at Pacific Beach Discharge to Mission Bay* (Exhibit A), the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) alleges that the Permittee has violated Order No. R9-2015-0013. Exhibit A is incorporated into and made part of this Settlement Offer by reference.

STATUTORY LIABILITY

The Permittee is subject to the following statutory liabilities:

1. Water Code section 13385(h)(1) requires the assessment of a \$3,000 mandatory minimum penalty for each serious violation.¹
2. Water Code section 13385(c) allows for discretionary administrative civil liability of up to \$10,000 for each day in which the violations occur, and \$10 for each gallon discharged but not cleaned up in excess of 1,000 gallons; and

¹ "Serious violation" is defined in Exhibit A.

3. Water Code section 13385(e) allows for the reimbursement of staff costs.

These mandatory minimum penalties and discretionary administrative civil liabilities may be assessed by the San Diego Water Board beginning with the date on which the violations first occurred.²

The formal enforcement action that the San Diego Water Board uses to assess such liability is an administrative civil liability complaint, although the San Diego Water Board may instead refer such matters to the Attorney General's Office for prosecution. If referred to the Attorney General's Office for prosecution, the Superior Court may assess up to \$25,000 for each day in which the violations occur, and \$25 for each gallon discharged but not cleaned up in excess of 1,000 gallons.

SETTLEMENT OFFER

The Permittee can avoid a formal enforcement action and settle the alleged violations by participating in the San Diego Water Board's Expedited Payment Program. The Permittee may accept this Settlement Offer, waive its right to a hearing, and pay the mandatory minimum penalty of **\$6,000** for the alleged violations identified in Exhibit A. If the Permittee accepts this Settlement Offer, the San Diego Water Board, or its delegate, will execute the Settlement Offer, subject to the conditions below. Accordingly, the San Diego Water Board will forego issuance of an administrative civil liability complaint, will not refer the violations to the Attorney General's Office, will not charge incurred staff costs, and will waive its right to seek additional discretionary civil liabilities for the violations identified in Exhibit A.

The Expedited Payment Program does not address or resolve liability for any violation that is not specifically identified in Exhibit A regardless of the date that the violation occurred.

OPTIONS FOR RESPONSE TO OFFER

1. If the Permittee accepts this Settlement Offer, the Permittee shall complete and return the *Acceptance of Conditional Resolution and Waiver of Right to Hearing for Settlement Offer No. R9-2021-0123, Promenade Mall Development Corporation, the Promenade at Pacific Beach Discharge to Mission Bay* (Acceptance and Waiver, Exhibit B) on or before 5 p.m. on September 20, 2021.
2. If the Permittee chooses to contest the violations alleged in Exhibit A, the Permittee shall submit a written response that identifies the specific violations and details the basis for the challenge (factual error, affirmative defense, etc.) to the San Diego Water Board on or before 5 p.m. on September 20, 2021. The San Diego Water Board will evaluate the contested violations and take one of two actions:
 - a. If the San Diego Water Board determines the violations are not supported, it will expunge the alleged violations, take no further action against the

² No statute of limitations exists applicable to administrative proceedings to assess mandatory minimum penalties. See *City of Oakland v. Public Employees' Retirement System* (2002) 95 Cal.App.4th 29, 48; 3 Witkin, Cal. Procedure (2019 supp.) Actions, § 430(2).

- Permittee for the alleged violations, and notify the Permittee in writing of that determination; or
- b. If the San Diego Water Board determines the alleged violations are meritorious, it will notify the Permittee of that determination. The Permittee will be given 30 days from the date of receipt of the San Diego Water Board determination to either accept the Settlement Offer by completing and returning the Acceptance and Waiver to the San Diego Water Board, or to reject the Settlement Offer.
3. If the Permittee does not respond to or rejects this Settlement Offer, the San Diego Water Board will initiate a formal enforcement action to resolve the alleged violations. In a formal enforcement action, the liability amount sought and/or imposed may exceed the liability amount set forth in this Settlement Offer. Moreover, the staff costs of investigating the violations and proceeding with a formal enforcement action are factors that will be considered in assessing the liability amount.

CONDITIONS FOR SAN DIEGO WATER BOARD ACCEPTANCE OF RESOLUTION

Pursuant to title 40 of the Code of Federal Regulations, section 123.27(d)(2)(iii), the San Diego Water Board is required to publish and allow the public 30 days to comment on any settlement of an enforcement action addressing alleged violations of National Pollutant Discharge Elimination System (NPDES) permit conditions. Upon receipt of the Permittee's Acceptance and Waiver, the San Diego Water Board will publish a notice of the proposed resolution of the violations.

If no comments are received within the 30-day comment period, and unless there are new material facts that become available to the San Diego Water Board, the San Diego Water Board, or its delegate, will execute the Acceptance and Waiver as a stipulated order assessing the uncontested mandatory minimum penalty amount pursuant to Water Code section 13385(h) and/or (i).

If, however, significant comments are received in opposition to the settlement, this Settlement Offer may be withdrawn. In that case, the Permittee's waiver pursuant to the Acceptance and Waiver will also be treated as withdrawn, and the violation(s) will be addressed in a liability assessment proceeding before the San Diego Water Board, or its delegate. At the liability assessment hearing, the Permittee will be free to make arguments as to the alleged violations, and the Permittee's agreement to accept this Settlement Offer will not in any way be binding or used as evidence against the Permittee. The Permittee will be provided with further information in advance of the liability assessment proceeding.

In the event the Acceptance and Waiver is executed by the San Diego Water Board, or its delegate, full payment of the assessed amount shall be due within 30 calendar days of the San Diego Water Board's, or its delegate's, execution. In accordance with Water Code section 13385(n), funds collected for the alleged violations shall be deposited in the State Water Pollution Cleanup and Abatement Account. Accordingly, the liability shall be paid by cashier's or certified check made out to the "State Water Pollution Cleanup and Abatement Account." Failure to pay the full liability within the required time period may subject the Permittee to further liability.

ACCEPTANCE OF CONDITIONAL RESOLUTION AND WAIVER OF RIGHT TO HEARING FOR SETTLEMENT OFFER NO. R9-2021-0123, PROMENADE MALL DEVELOPMENT CORPORATION, THE PROMENADE AT PACIFIC BEACH DISCHARGE TO MISSION BAY

By signing below and returning this *Acceptance of Conditional Resolution and Waiver of Right to Hearing* (Acceptance and Waiver) to the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board), the Promenade Mall Development Corporation (Permittee) hereby accepts the *Offer to Participate in the Expedited Payment Program* and waives the right to a hearing before the San Diego Water Board to dispute the alleged violations identified in Exhibit A of the Settlement Offer, which is attached hereto and incorporated herein by reference.

The Permittee agrees that the Settlement Offer shall serve as a complaint pursuant to Article 2.5 of the Water Code and that no separate complaint is required for the San Diego Water Board to assert jurisdiction over the alleged violations through its Chief Prosecutor. The Permittee understands that this Acceptance and Waiver waives the Permittee's right to contest the allegations in the Settlement Offer and the amount of civil liability for such violation.

The Permittee understands that this Acceptance and Waiver does not address or resolve liability for any violation that is not specifically identified in the Settlement Offer.

Upon execution by the Permittee, the completed Acceptance and Waiver shall be submitted by email to SanDiego@waterboards.ca.gov, attention 249321:KYaeger or by mail to the following address:
