Dear Ms. Gibson:

TECHNICAL CHANGE ORDER NO. 1 TO MONITORING AND REPORTING PROGRAM NO. 96-13: PALOMAR AIRPORT LANDFILL

In September 2004, the State Water Resources Control Board (SWRCB) adopted regulations requiring that Dischargers begin electronic submittal of information (ESI) for all groundwater cleanup programs regulated by the Regional Water Quality Control Boards. You may already know that for several years, parties responsible for cleanup of leaks from underground storage tanks (LUST) have been required to submit groundwater analytical data, the surveyed locations of monitoring wells, and certain other data to the SWRCB’s Geotracker database via the internet. Beginning January 1, 2005, electronic submittal of all technical reports and monitoring reports was extended to include all reports filed by Dischargers regulated by our Land Disposal Program (units regulated pursuant to California Code of Regulations – CCR Title 27 and CCR Title 23, Chapter 15). Enclosed with this letter is TCO No. 1 to Monitoring and Reporting Program No. 96-13 requiring the County of San Diego to comply with the electronic reporting regulations, and continue to provide the Regional Board with paper copies of selected technical documents, beginning July 1, 2005.

You should be aware that the San Diego Regional Board staff is not responsible for the maintenance and administration of the Geotracker database. For information on how to access and use the Geotracker database, please contact the SWRCB staff Mr. Hamid Foolad at (916) 341-5791, or the “Geotracker Help Desk” at (866) 480-1028 and via their website: Geotracker@waterboards.ca.gov.

For your convenience, a link to the Geotracker and Electronic Reporting web page can be found on our Regional Board web page under “WATER NEWS” or on the State Water Board’s website at: http://www.waterboards.ca.gov/lust/cleanup/electronic_reporting/

The heading portion of this letter includes a Regional Board code number noted after “In reply refer to:” In order to assist us in the processing of your correspondence please include this code.
