The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) is considering the adoption of Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order No. R9-2022-0063 (Stipulated Order). The Stipulated Order is a settlement agreement between the City of San Diego (Discharger) and the San Diego Water Board’s Prosecution Team to address a mandatory minimum penalty associated with an alleged serious effluent violation of *Waste Discharge Requirements and National Pollutant Discharge Elimination System Permit for the City of San Diego E.W. Blom Point Loma Wastewater Treatment Plant Discharge to the Pacific Ocean through the Point Loma Ocean Outfall* (Order No. R9-2017-0007).

To resolve the alleged violation without formal administrative proceedings, the Discharger has agreed to the final imposition of an administrative civil liability in the amount of $3,000, the mandatory minimum penalty amount required by Water Code section 13385.
