

Appendix H

Shoreline Bacteria Data Water Quality Objectives Exceedance Analysis

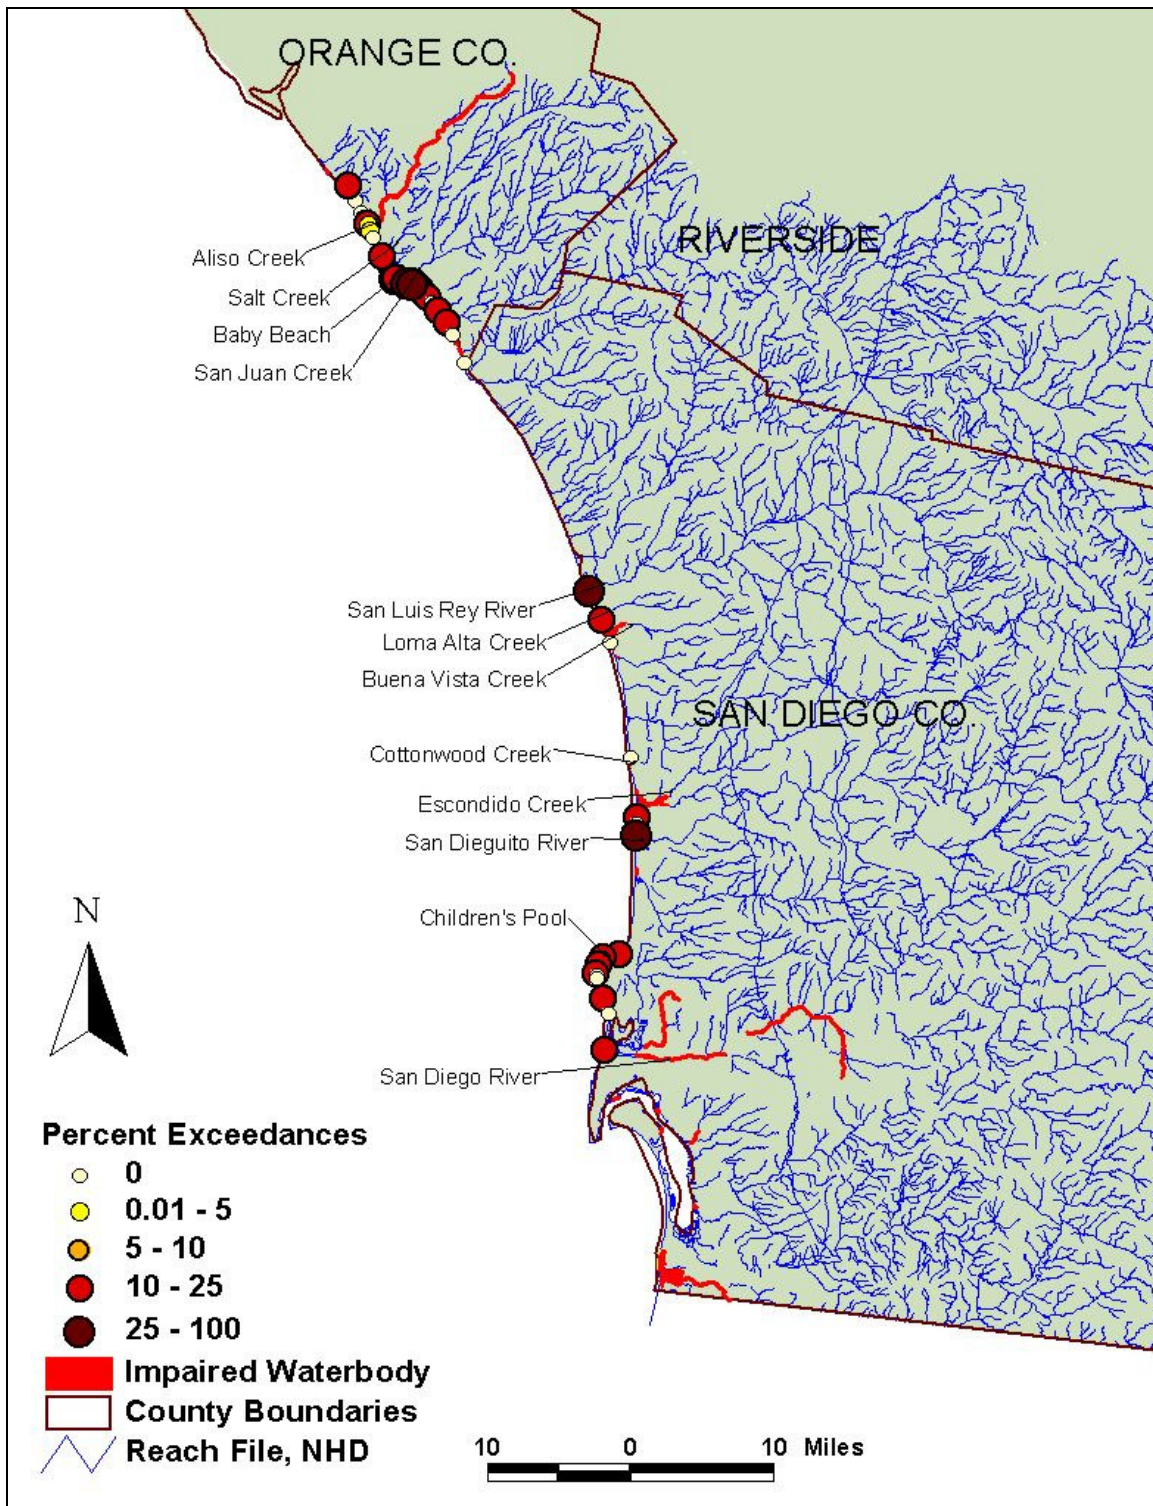

Figure H-1. Exceedances of Fecal Coliform Single Sample Objective (REC-1) During Wet Weather Conditions

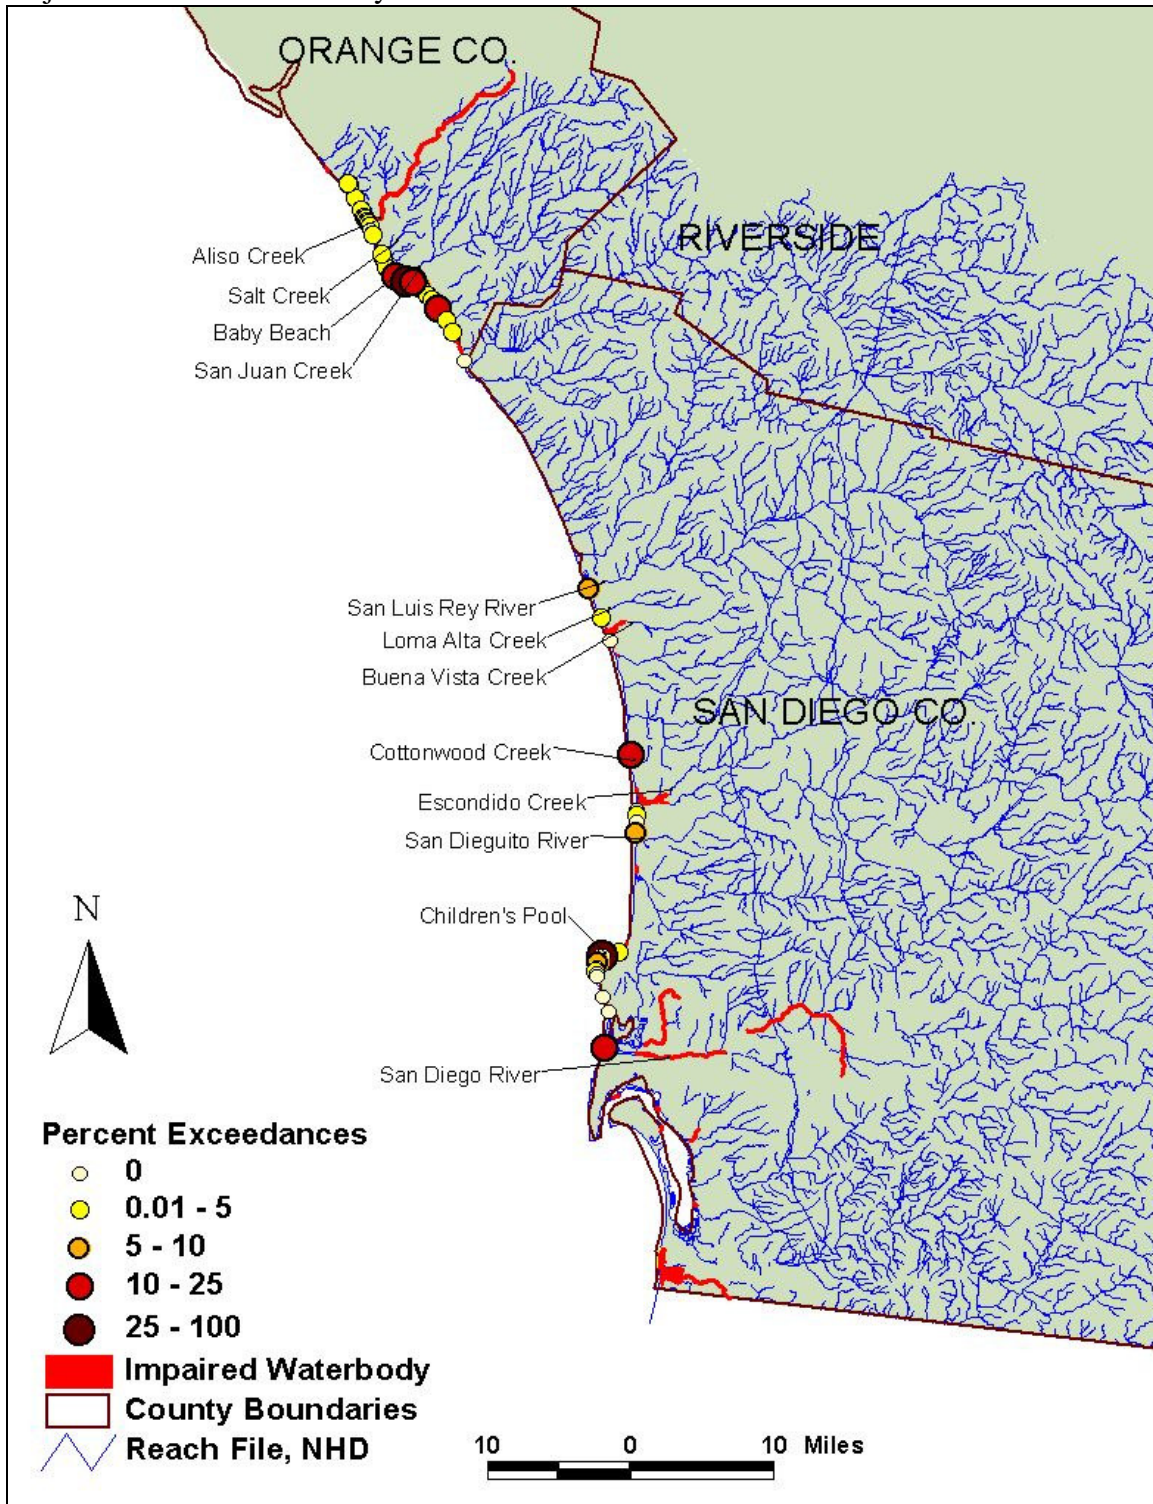

Figure H-2. Exceedances of Fecal Coliform Single Sample Objective (REC-1) During Dry Weather Conditions

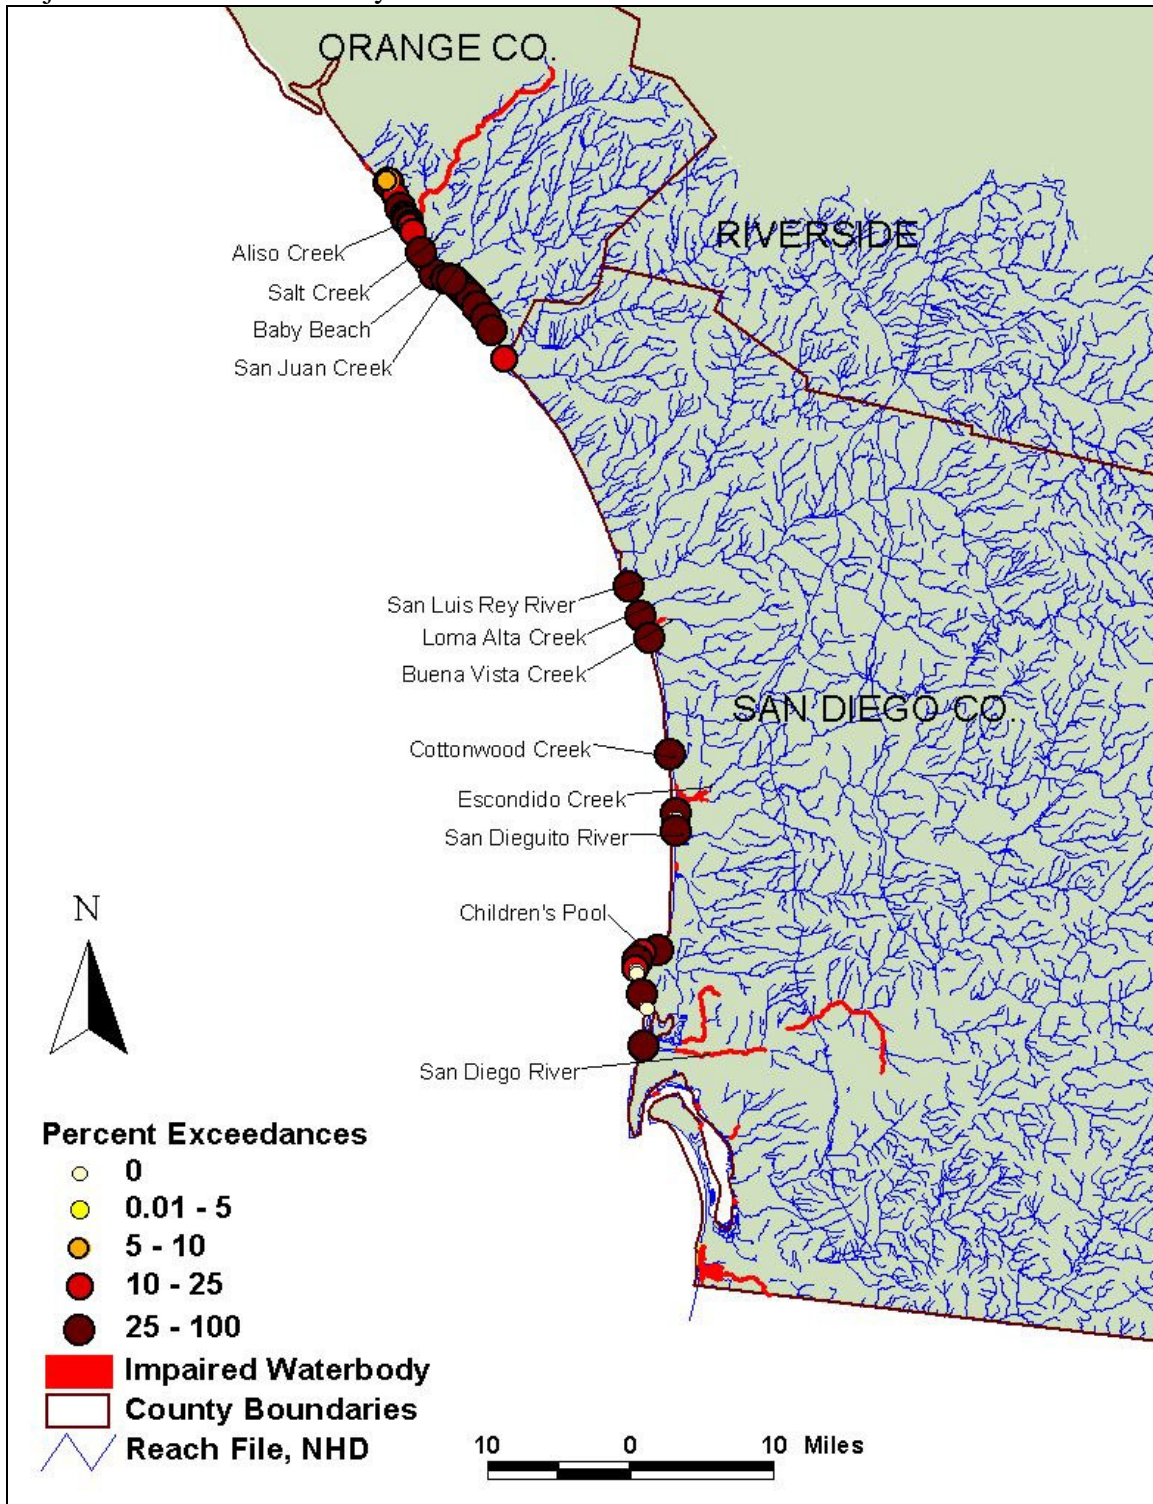

Figure H-3. Exceedances of Total Coliform Single Sample Objective (SHELL) During Wet Weather Conditions

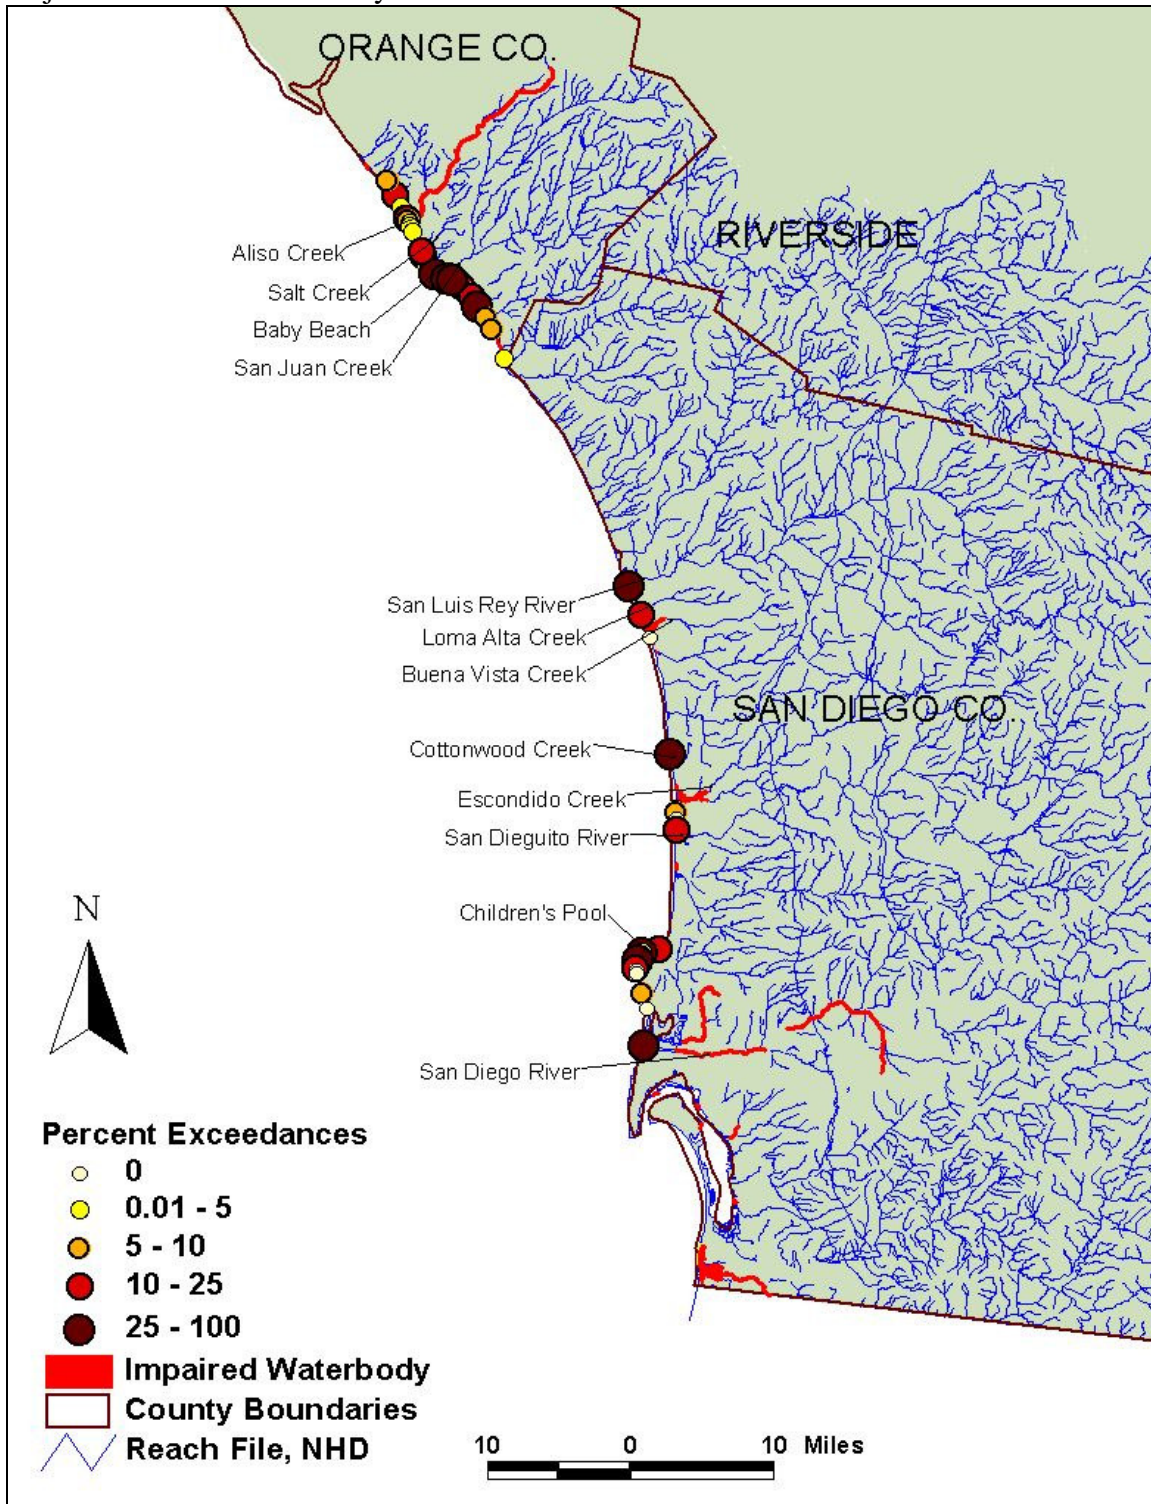

Figure H-4. Exceedances of Total Coliform Single Sample Objective (SHELL) During Dry Weather Conditions

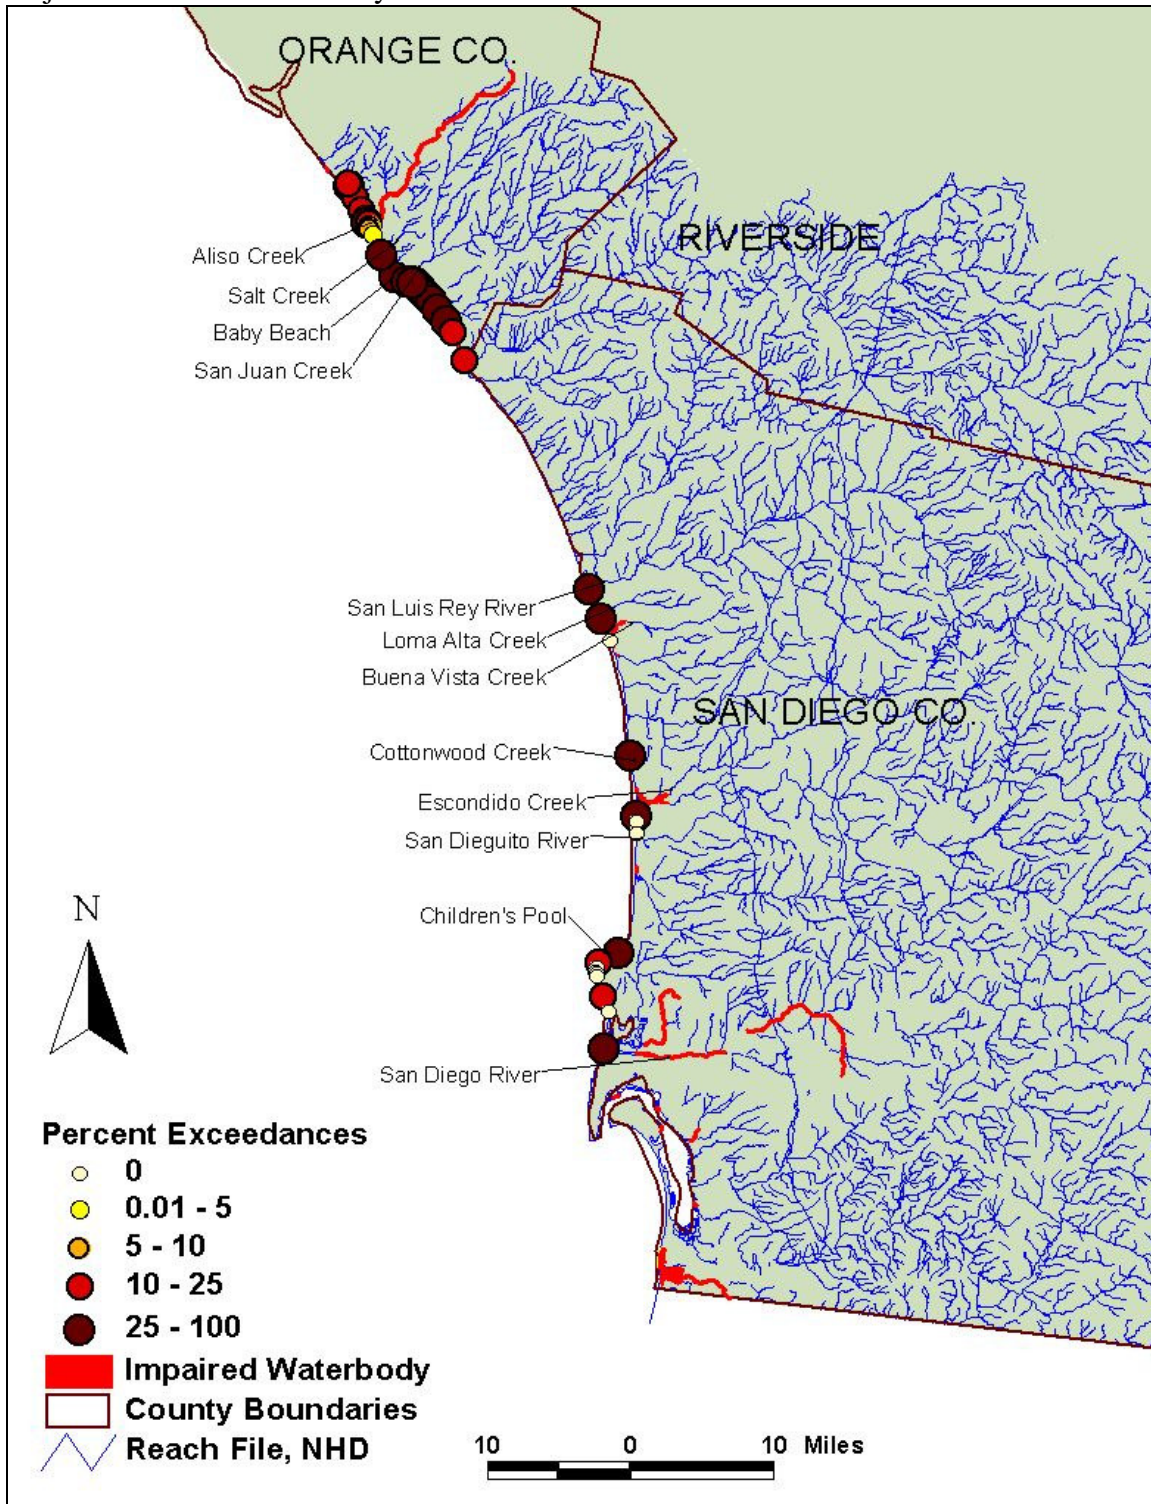

Figure H-5. Exceedances of Enterococcus Single Sample Objective (REC-1) During Wet Weather Conditions

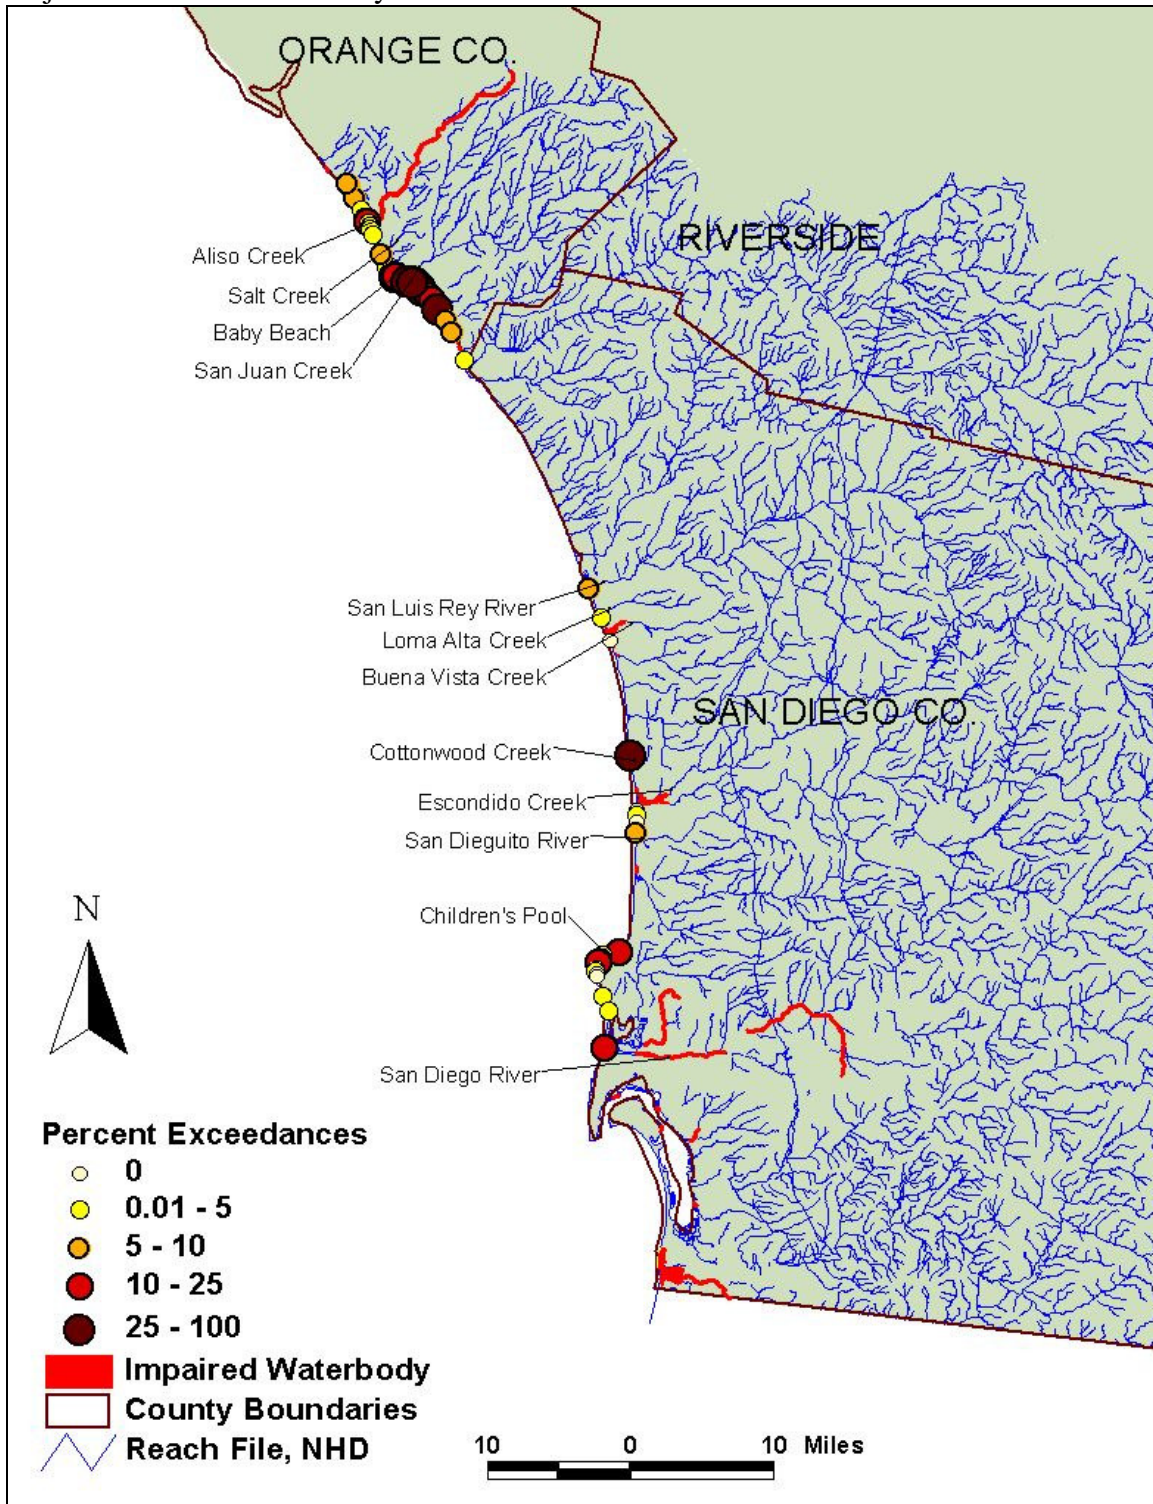

Figure H-6. Exceedances of Enterococcus Single Sample Objective (REC-1) During Dry Weather Conditions
