Orders R9-2003-0228 and R9-2003-0285
Tentative Order R9-2003-0109

Dear Ms. Ritschel:

I have reviewed Tentative Order R9-2003-0109 and respectfully request that the San Diego Regional Water Quality Control Board adopt this order during its meeting on October 10, 2007. As you are aware, we have closed the El Moro Mobile Home Park and will shortly begin construction of a new campground and day-use facilities at this location. We look forward to providing public access to this beautiful area of Crystal Cove State Park and restoring its landscape which will provide additional improvements to water quality in the area.

I have worked closely with the staff of the San Diego Regional Water Quality Control Board over the last three years. My experience has been very positive and I am grateful for the expertise and professionalism displayed by the Board's staff.

Sincerely,

Richard Rozzelle
District Superintendent
