The California Regional Water Quality Control Board, San Diego Region (hereinafter Regional Board), finds that:

2. By letter dated November 21, 2007, Allison Gutierrez, Associate Environmental Specialist of the Unified Port of San Diego, notified the Regional Board that dredging was completed on July 15, 2006 and requested rescission of Order No. R9-2005-0226.

4. By letter dated August 1, 2007, Grant Boroff, President of Culligan Water Conditioning of La Jolla, Inc. requested rescission of the WDR and NPDES due to cessation of the brine discharge on August 31, 2006. On May 13, 2008, the Regional Board inspected the facility and confirmed that the discharge had been terminated.

5. On December 20, 1993, the Regional Board adopted Order No. 93-126, Waste Discharge Requirements for Hiram Walker and Sons, Inc., Callaway Vineyard and Winery, Riverside County. Order No. 93-126 established requirements for the discharge of up to 0.013 million gallons per day (MGD) of winery wastewater into evaporation ponds.

6. By letter dated January 14, 2008, Peter Chang of Callaway Vineyard and Winery, notified the Regional Board that the facility has ceased discharge
to the evaporation ponds. On July 17, 2007, the facility hooked up to the Eastern Municipal Water District’s sanitary system. On May 21, 2008, the Regional Board inspected the facility and confirmed Callaway connected to the sanitary sewer and discharges to the evaporation ponds have been terminated. The evaporation ponds have been backfilled with clean soil and are now closed.

8. By letter dated April 28, 2008, Mario Sierra, Director of General Services of the City of San Diego, notified the Regional Board that the discharge to San Diego Bay had been terminated and requested rescission of Order No. R9-2003-0050. On the March 26, 2008, the discharge was redirected to the City of San Diego sanitary sewer system. On May 16, 2008, the Regional Board inspected the facility and confirmed that the discharge to the Bay has been terminated.

11. These facilities are existing facilities and as such are exempt from the provisions of the California Environmental Quality Act, in accordance with Title 14, California Code of Regulations, Article 19, Section 15301.

I, John H. Robertus, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an addendum adopted by the California Regional Water Quality Board, San Diego Region, on June 11, 2008.

Tentative
