

Errata Sheet – Item 9
July 9, 2010

Add following underlined language to Tentative Resolution No. R9-2010-0066 under “Therefore Be It Resolved That:”

3. Section 8, Monitoring and BMP Evaluation. Replace Section 8 of HMP with revised Section 8 dated July 14, 2010. Include requirement that all PDPs subject to the HMP requirements must: 1) include photo documentation of at least one location of the receiving water immediately downstream of the PDP, 2) include a cross-section of that same location(s) to provide scale for the photos, and 3) include global positioning system (GPS) coordinates for that same location(s).
