Re: Settlement of Complaint No. R9-2009-0026

Dear Mr. Smith:

On behalf of the County of Riverside, I make the following statement on its behalf:

All departments within the County of Riverside subject to Order No. R9-2004-001 (Order) and responsible for implementing Priority Development Projects (PDPs) (as defined in the Order) shall effectively implement the provisions of Section F of the Order. The County acknowledges that BMPs and other provisions of Section F are conceptualized after Board of Supervisor's approval of a PDP at the design phase of the project. All departments implementing PDPs shall be prepared to implement the provisions of Section F in the event that a PDP is approved. Approval of a PDP, and therefore the requirement to prepare a project-specific SUSMP, commences with Board of Supervisors approval to design the PDP.

Very truly yours,

Jay E. Orr
Assistant County Executive Officer
