

San Diego Water Board Meeting
Action Items
October 9, 2019
(underlined names are responsible for the action)

Item 3 – Future Agenda Items

1. Board Member Warren would like the Board to meet with Balboa Park officials to explore opportunities for collaboration. In particular, she would like to discuss Low Impact Development and water conservation efforts.

Course of Action: Chris Blank will work with the Executive Officer to coordinate the meeting.

Hours needed to complete request: 1 to schedule, and 7 to implement.

Estimated Completion Date: March 2020

Item 5 – Update on Restoration of Lake San Marcos

2. Board Member Warren would like more information about long term uses of Alum and Phoslock in inland lakes and reservoirs. In particular, she is curious about the long-term fate of particulate matter that bounds phosphorus.

Course of Action: Sarah Mearon will research the subject and provide the requested information to the Board and include the references in the file for the restoration project.

Hours needed to complete request: 4 hours

Estimated Completion Date: 31 December 2019

3. Vice Chair Cantu directed staff to devise a way to allow notification of future dam releases to be shared with the Batiquitos Lagoon Foundation. She would like a report back on the effort.

Course of Action: Sarah Mearon will develop and implement a solution. After several months of implementation, she will provide an update to the Board via the Executive Officer's Report.

Hours needed to complete request: 8 hours

Estimated Completion Date: June 2020
