NOTICE OF PUBLIC HEARING

The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) is considering adoption at a public hearing of Tentative Investigative Order No. R9-2018-0021, *An Order Directing the City of San Diego, the City of Santee, the City of El Cajon, the City of La Mesa, the County of San Diego, the San Diego County Sanitation District, the Padre Dam Municipal Water District, the Ramona Municipal Water District, San Diego State University, Metropolitan Transit System, and the California Department of Transportation to Submit Technical and Monitoring Reports to Identify and Quantify the Sources and Transport Pathways of Human Fecal Material to the San Diego River Watershed* (Tentative Investigative Order). The preparation and submittal of the technical and monitoring reports by the Dischargers as required by the Tentative Investigative Order is needed to 1) identify and quantify relative contributions of suspected sources of human fecal material in discharges to the San Diego River, 2) determine the transport pathways of such discharges, and 3) determine how this information will be used by each Discharger to assess the effectiveness of current management measures in preventing discharges of human fecal material into the San Diego River, its tributaries, and the downstream beach coastal waters.
