BOARD MEETING

Public comments on agenda items were limited to 3 minutes or otherwise at the discretion of the Board Chair

PUBLIC FORUM

Mr. Michael Beanan addressed the Board regarding enforcement actions to halt unpermitted discharges to Aliso Creek.

Ms. Laura Hunter spoke about a potential Administrative Civil Liability for KB Homes and the Oak Creek development.

Mr. Craig Carlisle, Senior Engineering Geologist with the San Diego Water Board, addressed the Board regarding procedures for addressing the Board to present concerns. He also discussed climate change, and he attempted to express concern regarding sand erosion at a Scripps Institution of Oceanography discharge location, but that discussion was terminated, as the Scripps NPDES permit update is a pending matter.
