NOTES:

A. GENERAL STATEMENT. The primary duty of the San Diego Water Board is to protect the quality of the waters within the region for all beneficial uses. This duty is implemented by formulation and adoption of water quality plans for specific ground or surface water basins and by prescribing and enforcing requirements on all domestic and industrial waste discharges. Responsibilities and procedures of the Regional Water Quality Control Board come from the State's Porter-Cologne Water Quality Act and the Nation's Clean Water Act.

The purpose of the meeting is for the Board to obtain testimony and information from concerned and affected parties and make decisions after considering the recommendations made by the Executive Officer.

All interested persons may speak at the San Diego Water Board meeting and are expected to orally summarize their written submittals. Testimony should be presented in writing prior to the meeting and only a summary of pertinent points presented orally. Oral testimony (i.e., direct testimony or comment) will be limited in time by the Board Chair (typically 3 minutes for interested persons and no more than 10 minutes for designated parties). A timer may be used, and speakers are expected to honor the time limits.

B. PROCEDURE FOR CONSENT (UNCONTENDED) CALENDAR (see also Cal. Code of Regs., tit. 23, § 647.2) Consent or uncontested agenda items are items for which there appears to be no controversy, and which can be acted upon by the San Diego Water Board with no discussion. Such items have been properly noticed and all interested parties consent to the staff recommendation. The San Diego Water Board Chair will recognize late revisions submitted by staff and will then call for a motion and vote on all of the consent calendar items by the San Diego Water Board.

If any San Diego Water Board member or member of the public raises a question or issue regarding an item that requires San Diego Water Board discussion, the item may be removed from the consent calendar and considered separately in an order determined by the Chair. Anyone wishing to contest a consent item on the agenda is expected to appear at the San Diego Water Board meeting telephonically or via the remote meeting solution and explain to the San Diego Water Board the reason that it is contested.

C. PROCEDURE FOR INFORMATION ITEMS (see also Cal. Code of Regs., tit. 23, § 649 et. seq.). Information items are items presented to the San Diego Water Board for discussion only and for which no San Diego Water Board action or vote is normally taken. The San Diego Water Board usually will hear a presentation by staff but may hear presentations by others. Comments by interested persons shall also be allowed. Members of the public wishing to address the San Diego Water Board on the topic under discussion should notify the clerk beforehand and indicate their request to speak to the San Diego Water Board. Comments from the public should be for clarification or to add to the San Diego Water Board's understanding of the item; such comment should not be testimonial in
nature or argumentative, as speakers are not under oath and the proceeding is not adversarial. Time limits may be imposed on interested persons.

D. PROCEDURES FOR NON-CONSENT (CONTESTED) AGENDA ITEMS. Non-consent or contested agenda items are items to which the parties involved have not consented and the staff recommendation is in dispute. The procedure that applies to such items depends on the nature of the matter. Matters before the San Diego Water Board may be quasi-legislative or quasi-judicial (adjudicative proceedings). Such items may require a public hearing and all interested persons will be provided an opportunity to make comments.

Contested Adjudicative Matters

Contested agenda items that are adjudicative, not quasi-legislative, are governed by the rules for adjudicative proceedings. State Water Resources Control Board (State Water Board) regulations setting forth the procedures for adjudicative proceedings before the State and Regional Water Boards are codified in Division 3 of Title 23 of the California Code of Regulations. Adjudicative proceedings before the State and Regional Water Boards are governed by State Water Board regulations as authorized by Chapter 4.5 of the Administrative Procedures Act (commencing with Gov. Code, § 11400). State Water Board regulations further provide that, with certain exceptions, adjudicative proceedings will be conducted in accordance with Evidence Code sections 800 through 805 and Government Code section 11513. Other provisions of Chapter 5 of the Government Code do not apply to adjudicative proceedings before the State and Regional Water Boards. For more information about laws and regulations relevant to adjudicative proceedings, please visit https://www.waterboards.ca.gov/laws_regulations/.

An adjudicative proceeding is a hearing to receive evidence for determination of facts pursuant to which the State or Regional Water Board formulates and issues a decision. A decision determines a legal right, duty, privilege, immunity or other legal interest of a particular person or persons. Examples of adjudicative proceedings include hearings to receive evidence concerning the issuance of waste discharge requirements or National Pollutant Discharge Elimination System (NPDES) permits, concerning cease and desist orders, and concerning orders imposing administrative civil liability. Adjudicative proceedings are not conducted according to the technical rules of evidence, and the San Diego Water Board may accept testimony and comments that are reasonably relevant to the issues before the Board. Testimony or comments that are not reasonably relevant, or that are repetitious, will be excluded.

In some adjudicative matters, most frequently administrative civil liability matters, a separate Hearing Procedures Document may be issued. In those cases, the procedures set forth therein will apply, subject to discretionary modification by the Chair of the San Diego Water Board. For other adjudicatory matters, the Chair may establish specific procedures for each item and, consistent with subdivision (d) of section 648 of title 23 of the California Code of Regulations, may waive nonstatutory provisions of the regulations. Generally, all witnesses
testifying before the San Diego Water Board must affirm the truth of their testimony and are subject to questioning by the Board Members.

Absent a separate Hearing Procedures Document, the Board normally conducts adjudicative proceedings in an informal manner. That is, the Board does not, generally, require the designation of parties, the prior identification of witnesses, prior submission of written testimony, or the cross examination of witnesses. Any requests for an alternate hearing process should be directed to the Executive Officer and must be received by the San Diego Water Board by the deadline set forth in the Agenda.

When the San Diego Water Board determines that a hearing will be formal (as opposed to informal, as described above), participants in a contested agenda item are either “designated parties” or “interested persons.” Only designated parties will have the right to cross-examination and may be subject to cross-examination. Interested persons (i.e., nondon Designated parties) do not have a right to cross-examination but may ask the San Diego Water Board to clarify testimony. Interested persons may also be asked to clarify their statements at the discretion of the San Diego Water Board.

Designated parties include:

- Discharger or Responsible Party;
- Persons directly affected by the discharge; and
- Staff of the San Diego Water Board (if specified in the applicable hearing procedures).

All other persons wishing to testify or provide comments for a formal hearing are “interested persons” and not “designated parties.” Such interested persons may request status as a designated party for purposes of the formal hearing by submitting such request in writing to the San Diego Water Board no later than the date specified at the beginning of the Agenda Notice or in the applicable Notice of Public Hearing or Hearing Procedures Document. The request must explain the basis for status as a designated party and, in particular, how the person is directly affected by the discharge.

All persons testifying must state their name, affiliation, and whether they have taken the oath before testifying. The order of testimony for formal hearings generally will be as follows, unless modified by the San Diego Water Board Chair:

- Testimony and cross-examination of San Diego Water Board staff;
- Testimony and cross-examination of discharger;
- Testimony and cross-examination of other designated parties;
- Testimony by interested persons;
- Closing statement by designated parties other than discharger;
- Closing statement by discharger;
- Closing statement by staff;
- Recommendation by Executive Officer (as appropriate);
- Close hearing; and
- Deliberation and voting by San Diego Water Board.
Closing statements shall be for the purpose of summarization and rebuttal and are not to be used to introduce new evidence or testimony. After considering evidence, testimony, and comments, the San Diego Water Board may choose to adopt an order regarding a proposed agenda item.

**Quasi-legislative Matters**

Quasi-legislative matters include rulemaking and some informational proceedings. These matters may include hearings for the adoption or amendment of regulations, water quality control plans, and hearings to gather information to assist the State and Regional Water Boards in formulating policy for future action. They are not adjudicative proceedings and are subject to different procedures. (See Cal. Code of Regs., tit. 23, § 649 et seq.)

E. **CONTRIBUTIONS TO SAN DIEGO WATER BOARD MEMBERS.** Persons applying for or actively supporting or opposing waste discharge requirements or other San Diego Water Board orders must comply with legal requirements if they or their agents have contributed or proposed to contribute $250 or more to the campaign of a San Diego Water Board member for elected office. Contact the San Diego Water Board for details if you fall into this category.

F. **PROCEDURAL INFORMATION.** The San Diego Water Board may meet in closed session to discuss matters in litigation, including discussion of initiated litigation, significant exposure to litigation, or decisions to initiate litigation (Gov. Code, § 11126, subd. (e)); deliberate on a decision to be reached based upon evidence introduced in an adjudicatory hearing (Gov. Code, § 11126, subd. (c)(3)); or to consider the appointment, employment or dismissal of a public employee to hear complaints or charges brought against a public employee (Gov. Code, § 11126, subd. (a)).

The San Diego Water Board may break for lunch at approximately noon at the discretion of the Chair. During the lunch break San Diego Water Board members may have lunch together. Other than properly noticed closed session items, San Diego Water Board business will not be discussed.

Agenda items are subject to postponement. A listing of postponed items will be posted in the meeting room. You may contact the designated staff contact person in advance of the meeting day for information on the status of any agenda item.
