¹ Evidentiary Hearing on ACL Complaint No. R9-2020-0006, Baldwin & Sons, Inc. et al.

² Water Quality Coordinating Committee (WQCC) meetings have been conducted nearly every year by the state and regional boards since the Porter-Cologne Water Quality Control Act when into effect in January 1970. These meetings provide an opportunity for the nine Regional Water Boards and the State Water Board to discuss water quality issues throughout the state and formulate statewide guidelines for addressing these issues.
